172nd Annual Convention

THE CHURCH OF THE HOLY TRINITY, PHILADELPHIA

MONDAY, APRIL 30, 1956, 5:00 P.M.

The One Hundred Seventy-second Annual Convention of the Protestant Episcopal Church in The Diocese of Pennsylvania assembled at The Church of The Holy Trinity, Philadelphia, on Monday, April 30, 1956 at 5:00 P.M., in accordance with the Constitution and the Resolution of the last Convention.

The Bishop of the Diocese called the Convention to order and opened the session with prayer.

A Quorum being present the Rev. Dr. Charles H. Long was duly elected Secretary and the Rev. Thomas A. Meryweather was appointed Assistant Secretary of the Convention.

The Rev. William Roulston McKean, chairman, presented the Report of The Committee on the Dispatch of Business which on Motion was adopted as follows:

Your Committee presents herewith its suggested program for the dispatch of business during the Convention.

In order to expedite the order of business, your Committee suggests that all Reports be made by title where feasible, and as an effort is to be made to transact the work of Convention in one full day, that discussion be curtailed as far as possible.

Should the Business of the Convention be not completed at 5:30 P.M. on Tuesday, May 1, 1956, a Recess shall be taken at that hour until 7:45 P.M. Should further time be required, Convention shall meet again on Wednesday, May 2, 1956, at 9:00 A.M.

The Rev. Howard A. Hopkins presented the Report of the Committee on Arrangements which was adopted.

Seats have been found for all deputies. Due to the increase of new parishes and missions there is crowding in some instances. Your committee is in the process of re-assigning some seats in order to overcome this difficulty. These changes will go into effect at the next convention. Please advise your Committee on Arrangements through Dr. Long's office if you wish to be included in these changes.

Only deputies are authorized to have seats on the floor of the Convention. All other persons including alternates (except alternates who are replacing deputies) must sit in the gallery.

A buffet luncheon will be served to deputies holding tickets, at 1 P.M. tomorrow in Trinity Memorial Church, 22nd and Spruce Sts.

A public address system has been installed. Three microphones, for the use of the deputies, have been placed in the side and center aisles.

The Secretary reported that he was in receipt of three communications from the 1955 General Convention as follows:

RESOLVED, That this House request the Committee on Canons to study the proper wording of a Canon which shall define the meaning of a 'member of this Church,' and report the same to the next General Convention.

RESOLVED, The House of Bishops concuring that Canon 16 be amended by inserting the following sections as follows:

Sec. 1. All persons who have received the sacrament of Holy Baptism with water, in the name of the Father and of the Son, and of the Holy Ghost and whose baptism has been duly recorded in this Church are members thereof.

Sec. 2. All such baptized persons shall for one year next preceding have fulfilled the requirements of the Canon "Of the Due Celebration of Sundays," are members of this Church in good standing,

Sec. 3. All such members in good standing who have been confirmed by a Bishop of this Church or a Bishop of a Church in communion with this Church or have been received into this Church by a Bishop of this Church, and who shall, unless for good cause prevented, have received Holy Communion at least thrice during the next preceding year, whereof the feast of Easter shall be one, are communicants in good standing.

RESOLVED, That Report No. 2 of the Committee on Canons of the House of Deputies be not acted upon at this session of the General Convention; and be it further

RESOLVED, That a copy of this report be forwarded to the several Dioceses and Missionary Districts for their study and consideration during the coming triennium; and be it further

RESOLVED, That this report be made an order of business for consideration at the 1958 meeting of the General Convention.

Amend Article 1, Section 2, of the Constitution to read as follows:

Every Bishop of this Church having jurisdiction, every Bishop Coadjutor, every Suffragan Bishop, and every Bishop who holds an office created by the General Convention shall have a seat and a vote in the House of Bishops. All other Bishops, who have resigned their positions shall have a seat and a voice, without vote, in the House of Bishops. A majority of all Bishops entitled to vote exclusive of Bishops serving with the Overseas Department of the National Council shall be necessary to constitute a quorum for the transaction of business.

Amend Article 1, Section 7, of the Constitution to read as follows:

The General Convention shall meet in every third year on the Wednesday after the first Sunday in October, unless a different day be appointed by the preceding Convention, and at the place designated by such Convention; but if there shall appear to the Presiding Bishop, acting with the advice and consent of the National Council of the Church or of a successor canonical body having substantially the powers now vested in the National Council, sufficient cause for changing the place or date so appointed, he, with the advice and consent of such body, shall appoint another place or date, or both, for such meeting. Special meetings may be provided for by Canon.

The Secretary read the Canon of Courtesy as follows:

Clergymen canonically resident in this Diocese but not entitled to vote in the Convention, Clergymen of other Diocese of this Church, Candidates For Holy Orders in this Church, Wardens of Missions other than those entitled to send Deputies, and all persons holding any office or trust under the Convention, including the Lay Members of the Standing Committee, the Officers of the Executive Council and the Executive Officer of the Philadelphia Protestant Episcopal City Mission, though not members, shall be admitted to seats and have a voice in the Convention, but not the right to vote.

On motion it was adopted.

The Secretary reported further:

Alternates have not seats or votes in Convention except when they register with the Assistant Secretary certifying they are authorized to take the place of the elected deputy.

During the past year the Secretary has fulfilled his duties as prescribed by the Constitution and Canons as far as possible.

As the vote for members of the Executive Council was not decisive, a motion was made and adopted that another ballot be taken at the noon recess. On motion by the Chairman of the Committee on Dispatch of Business, duly seconded and carried it was decided that if the ballot at the noon recess should not be decisive, the combined votes in each order be added together and the person with the larger vote be declared elected.

The following resolution was introduced by the Rev. George W. Wickersham and referred to the Committee on the Dispatch Business:

RESOLVED, that the word "Lay Persons" be substituted for the word "Laymen" in sentence one of article IV of the Constitution of this Diocese.

The following resolution was introduced by the Rev. John H. A. Bomberger, D.D. The Chair ruled that this resolution could be considered at this time by the Convention:

WHEREAS this year marks the one hundreth anniversary of the Thanksgiving Offering from the Diocese for the work of Episcopal Hospital;

AND WHEREAS the Episcopal Hospital has started a two and one-half million dollar development program;

BE IT RESOLVED, that this centennial be observed by a re-emphasis of the work and service of the Episcopal Hospital and that the Parishes of this Diocese undertake to contribute in the annual Thanksgiving Offering the sum of one hundred thousand dollars ($100,000.00) for the building of a new Emergency and Receiving Ward.

This resolution being seconded, the question was called for and the resolution was defeated.

The Rev. Arnold Purdie reported on the work of the Episcopal City Mission and stressed the importance of the Institute of the Department of Christian Social Relations to be held later in the month.

The report of the Committee on Constitution and Canons was presented by the Rev. Ralph E. Coonrad, which contained two resolutions, as follows: (Appendix N, Page 265)

"RESOLVED: That, the Committee on Canons be asked to prepare a proper canon which shall provide that no Committee, council or commission of the Diocese shall have as a member, either clerical or lay, any person who has reached the age of seventy-two years; and that any person who reaches this age, despite the length of term for which he was elected, shall vacate his office on the June 30th following his seventy-second birthday."

After considerable debate the question was called for and the resolution was defeated.

Dr. Coonrad continued his report and recommended the following:

Canon XX, at Section I, subsection 1, to read as follows:

"1. At the Annual Convention immediately preceding the regular meeting of the General Convention, or, if the Diocesan Convention desires, at the Annual Convention in the year preceding the General Convention, there shall be elected by concurrent ballot of the Clerical and Lay Orders . . ."

Being duly seconded, this was voted upon immediately and adopted.

A motion was then made by the Rev. Dr. Long that the deputies from this Diocese to the 1958 General Convention be elected at the 1957 Diocesan Convention. This was duly seconded and adopted.

Action was then called for on the resolution presented by the Rev. Mr. Platts; and after considerable debate, the matter was put to a vote and was adopted.

RESOLVED, that Section V of the Standing Orders of the Convention under #3 be amended by omitting that portion beginning with the words "A Special Committee of Ten on Nominations, etc." See Journal of 1955, page 37.

Action was then called for on the resolution presented by the Rev. Mr. Wickersham, and after debate was put to a vote and was adopted. (As this calls for a change in the Constitution of the Diocese, action by the 1957 Diocesan Convention is necessary before it becomes legal.)

RESOLVED, that the word "Lay Persons" be substituted for the word "Laymen" in sentence one of Article IV of the Constitution of this Diocese.

The report by the Committee on Incorporation was presented by Mr. G. Selden Pitt as follows:

RESOLVED, that EMMANUEL EPISCOPAL CHURCH, QUAKERTOWN, be admitted into union with the Convention but without vote at this Convention; that the proposed Articles of Incorporation of EMMANUEL EPISCOPAL CHURCH, QUAKERTOWN, be approved by the Convention and that permission be given to apply to the proper court to grant the same.

RESOLVED, that ST. JOHN'S CHURCH, HUNTINGDON VALLEY, PA., be admitted into union with the Convention but without vote at this Convention; that the proposed Articles of Incorporation of ST. JOHN'S CHURCH, HUNTINGDON VALLEY, PA., be approved by the Convention and that permission be given to apply to the proper court to grant the same.

RESOLVED, that ST. MICHAEL'S CHURCH be admitted into union with the Convention but without vote at this Convention: that the proposed Articles of Incorporation of ST. MICHAEL'S CHURCH be approved by the Convention and that permission be given to apply to the proper court to grant the same.

RESOLVED, that the proposed amended Articles of Incorporation of The RECTOR, CHURCH WARDENS, AND VESTRYMEN OF SAINT LUKE'S CHURCH IN THE COUNTY OF BUCKS be approved and that permission be given to apply to the proper court to grant the same.

On the motion duly made, seconded and carried it was resolved that these three missions be authorized to apply to the civil courts for incorporation.

The Report of the Committee on Rectors' Salaries and Pensions was made by the Rev. James M. Niblo, D.D., and the following resolution was presented and on motion adopted: (Appendix M, Page 264).

RESOLVED, That the Commission on Rectors' Salaries and Pensions be authorized to assess for the Sustentation Fund for the year 1957 the sum of $6,000.00.

The report of the Corporation of Christian Work in Educational Institutions was presented by the Rev. Charles K. C. Lawrence (Appendix R. Page 273).

The report of the Cathedral Chapter was received by title (Appendix L, Page 261).

The report of the City Mission was received by title, the Rev. Arnold Purdie commenting on the growth of the Chaplaincy Service.

Bishop Hart requested Bishop Armstrong to preside. Bishop Armstrong called upon Mr. Blair Lee to report on the work of the Philadelphia Council of Churches, a written report having been distributed to the delegates. (Appendix S, Page 275).

Bishop Hart having resumed the chair, Bishop Armstrong reported upon the effective assistance this diocese has received from the Department of Research of the Council, in planning work in the suburbs as well as in the heavily populated inner-city areas.

It being noon, the Bishop requested Bishop Armstrong to conduct noon-day prayers and devotions.

The Bishop then introduced Dr. Matatoshi Matsushita, President of St. Luke's University, Tokyo, Japan, who gave a brief and interesting address concerning the present growth and future plans of that educational institution.

The report of the Department of Christian Social Relations was submitted by title, and a resolution from that department was presented by Edward S. Morris, Esq.

WHEREAS, since the decision of the United States Supreme Court concerning desegregation in public education, there has been a sharp demonstration of hostility to the Negro race; and

WHEREAS, this attitude has been evidenced by:

1. The pronouncements and exhortations of certain Governors, United States Senators and other high officials advocating resistance to the reasonable orders of the Supreme Court;
2. The unhappy and continuing incidents in Alabama concerning the enrollment in its State University of a Negro student; and the twisted application of a state law so as to suppress a justifiable boycott against unjustifiable public transport discriminations; and
3. The unpunished killings of
   a. Rev. George W. Lee of Belzoni, Mississippi
   b. Lamar Smith of Brookhaven, Mississippi; and
   c. Emmett Till at Money, Mississippi; and

WHEREAS, such an attitude and such events, particularly when based on a doctrine of racial superiority, is the antithesis of the teachings of our Lord and His Church; now therefore,

BE IT RESOLVED, by the Diocese of Pennsylvania, assembled in Convention this first day of May, 1956,

1. That this Diocese go on record as condemning and repudiating this attitude, the racial superiority doctrine on which it is based, and all acts (unlawful or inequitable) proceeding therefrom, wherever such may occur;
2. That this Diocese expresses sympathy with fellow members of this communion whose words and actions in accordance with the ideals of Christ's teaching bring upon them the disapprobation, vilification and persecution of their neighbors and commends all those in the states most involved who are working for a just and Christian solution.
3. That this Diocese urges its churches and all the members thereof to oppose by word and deed any type of racial discrimination and to use in their own communities every available means to make their fellowship representative of the ideals of Christian worship and action; and
4. That the President be commended for his forthright approach to this national problem, and urged (if Congress does not act) to call a conference of Governors, state and federal officials, and representatives of the white and Negro peoples to determine and recommend a Christian solution;

AND BE IT FURTHER RESOLVED that a copy of this resolution be sent by the Secretary of this Convention to the President of the United States and his Attorney General, the Presiding Bishop and the National Council of this Church, all Members of Congress, the Governors of the several states and their Attorneys General.

A substitute motion was introduced by Mr. George Appel:

WHEREAS, there is in the heart of every Christian the desire to follow the precept of Jesus, that we love our neighbor as ourselves; and

WHEREAS, this desire is sometimes overcome through lack of understanding, lack of regard for the rights of others, and lack of courage, and

WHEREAS, we deplore and condemn this lack of understanding, lack of regard for the rights of others, and lack of courage, wherever and whenever they manifest themselves, whether in this Diocese, this state, in this country, or in any part of the world,

NOW THEREFORE BE IT RESOLVED, that this Convention goes on record in urging upon the members of all parishes in this Diocese, of this church, upon all Christian, and upon all people, that they follow the precept of Jesus that we love our neighbors as ourselves, notwithstanding race, or color, or whatsoever differences there may be among us.

After considerable debate a second substitute resolution was introduced by the Rev. Dr. Longley. A vote being called for, the Convention approved the second substitute resolution:

WHEREAS, since the decision of the United States Supreme Court concerning desegragation in public education, there has been a sharp demonstration of racial conflict.

THEREFORE, BE IT RESOLVED, by the Diocese of Pennsylvania, assmbled in Convention this first day of May, 1956.

1. That this Diocese expresses sympathy with fellow members of this communion whose words and actions, in accordance with the ideals of Christ's teaching, bring upon them the disapprobation of their neighbors and commends all those in the States most involved who are working for a just and Christian solution.
2. That this Diocese urges its Churches and all the members thereof to oppose by word and deed any type of racial discrimination and to use in their own communities every available means to make their fellowship representative of the ideals of Christian worship and action.

The Rev. James M. Niblo, D.D., presented the Missionary Budget for the year 1957 amounting to $549,391.00. On motion it was adopted. (Appendix D, Page 83.)

The Convention recessed at 12:55 for lunch. It was announced that the polls would be open from 1:00 to 1:15 P.M., and that the Convention would reconvene at 2:30 P.M.

The Convention reconvened at 2:30 P.M. with the Bishop presiding. The Bishop reported that the Executive Council of the Diocese was preparing plans to raise $1,250,000.00 for capital expense in 1957; and that as that year is the Centennial of the Philadelphia Divinity School, $750,000.00 would be for work in the Diocese and $500,000.00 for new buildings etc. at the school.

The Very Rev. Frank D. Gifford, Dean of the Divinity School, was called upon to report on the status of the School. He stated that during the next school year the faculty would be strengthened by two additional fulltime instructors, that the building now under construction to be known as the Bishop Hart House, would probably be ready for use in the fall, and that during his 10 years as Dean, the student body has increased in size.

Mr. Henry Dolan asked that the Convention reconsider the resolution in re: desegregation proposed by Dr. Longley. The Rev. Jesse Anderson then made such a motion which was seconded. After an explanation by the Chancellor, Mr. Robert T. McCracken, the vote was taken and the motion to reconsider was defeated.

BISHOP CAMPBELL	8	
TOTALS	3923	132

In the Bishop's Chapel 142 Confirmed and 22 Received. These are included in the above total.

I was asked recently, "In what Mission in the Diocese are the most interesting things happening?" This is a hard question to answer. We have our weak spots but, as I visit our Missions, I am proud of our Vicars and their congregations. On the Sunday after Easter in the afternoon, I visited Emmanuel Mission, Quakertown. It was not only Low Sunday, but the snow and rain made driving very difficult. Not only was there a splendid class to be confirmed, but the church was full. Emmanuel is asking at this Convention to be received as a parish. This is typical of what is going on in many places throughout the Diocese.

My heart is heavy when I think of the many changes which are taking place among our clergy. Twelve of our active clergy must retire before January 1st because they have already reached or will reach the age of 72 by December 30th of this year. To this large number must be added those who have accepted calls to other Dioceses or who have resigned to undertake special work. I am happy that many of them will continue to live in the Diocese and we shall have their understanding friendship and their help in our Diocesan work.

I want to call your attention to the fact that the Diocese paid its full Missionary Quota to the National Church in 1955. As many of you know, the General Convention raised our Diocesan Quota in 1956 about $30,000. The General Convention also decided that in the future, the Church School Lenten Offering will not count on the Quota. Last year, this offering amounted to about $75,000 in this Diocese. The result of these two actions was that our Quota for the National Church was increased about $105,000. I was tremendously happy when the Executive Council was able to pledge our full Quota for 1956 due to the fact that the parishes responded so well this year. I am convinced that we are on the right track in the way in which we do this in this Diocese. In some Dioceses, the missionary apportionment is considered a canonical assessment and the churches which do not pay their full Missionary Quota are denied a vote in the Convention, although they are entitled to a seat. In many Dioceses, no persons in such congregations are eligible for election to any Diocesan office. In this Diocese, we start with a Mathematical Quota and the Budget Committee, which consists of the six Deans and certain other clergymen and laymen, adjusts this Quota up or down as they think the situation in the parish warrants. I hope that all the parishes understand thoroughly that this Quota

is not on a mathematical basis. Many parishes gladly accept a Proportionate Share which is larger than their Mathematical Share. The thrilling fact is that in 1955, 104 parishes and missions voluntarily overpaid their Proportionate Shares.

Last year at our Convention you directed the Executive Council to devise ways and means, and to take such appropriate action as will produce adequate financing to meet the missionary challenge within the Diocese. The Department of Missions has been studying our needs and has recommended that we seek a capital fund of, at least, seven hundred and fifty thousand dollars for our immediate needs.

The Philadelphia Divinity School celebrates its Centennial in 1957. The Trustees and Alumni have made plans for a campaign for capital needs—about five hundred thousand dollars to be raised in this diocese and two hundred-fifty thousand dollars elsewhere. It seemed wise to the Executive Council to combine these two campaigns and we are, therefore, planning a Capital Fund Campaign to be completed before our next Convention.

I realize that there is never a "good time" for such a campaign. A goodly number of our parishes have recently had or are in the midst of campaigns for their own local needs. I believe that the campaign can be a great success if every member of the diocese will do his or her part. We have already received one generous gift of thirty-two thousand dollars with which to start our campaign.

Great gifts and opportunities mean great responsibilities. The heaviest burdens generally fall on the busiest people. Recently in a sermon I asked the congregation "Does your total influence count toward making your parish the most vital Christian parish possible?" After the service, a woman spoke to me and said she did not intend to do all that she could to make her parish the best possible, because if she did, others would take advantage of it and fail to do their part. This may be a very human reaction, but as Christians we must still ask the questions, "Are we ready to be numbered among those to whom added burdens and responsibilities are given?" "Are we ready for Christ's sake to do more than our share?"

From time to time, I am asked what I think about the value of the duplex pledge and the single pledge. I realize that there is a legitimate difference of opinion about these two forms of pledges. Some of our most missionary-minded people favor the single

pledge. I think this is all right, provided the Vestry will put the Missionary Quota ahead of everything else. For eight years I was rector of a parish where the first check drawn every month was for one-twelfth of the Missionary Quota. This check was drawn even before the check for the rector's salary. In addition to this, the Vestry would often vote the Easter and Christmas Offering for special missionary projects. Where a Vestry takes this attitude, I can see the value of the single pledge. I think we should keep it clearly in mind that the single pledge is an extremely dangerous thing unless the Vestry takes this attitude. I think lay persons have a perfect right to complain if they are *not* allowed to pledge for missions, unless the Parish does pay the Missionary Quota in full or overpay it.

Recently there appeared in one of our daily papers the statement that a great many church people in the United States didn't care about what church to which they go. They go to the nearest church or to the one which has the best parking facilities. Back of this statement was the implication that our churches do not stand for anything definite. This may be true to a far greater degree than we would like to admit, but I know of so many cases in which it is not true. The Rev. Robert Sheeran, one of our own men, who has done such fine work in the Missionary District of Honolulu, has recently been transferred from Hilo on the big island of Hawaii to Honolulu and placed in charge of St. George's Mission at Pearl Harbor. You may remember that those attending the recent General Convention contributed to a fund for the building of this new church. Writing about their work there the Sheerans say, "The members of St. George's are almost entirely Navy. Admiral Pyne is the Warden, a Lieutenant and a Master Sergeant of the Marine Corps are on the Vestry. The beauty of this congregation is that they attend because they *want* the church in their lives, not because they happen to live near." Such definite and clear convictions are needed here as everywhere.

Mr. Robert T. McCracken has asked me to relieve him of his duties as Chancellor and I have reluctantly agreed to do so. I am deeply grateful to Mr. McCracken for the fine service that he has rendered to the diocese and to me personally. In spite of many commitments, he has always found time to give me his opinion on any matter that I referred to him. He has rendered very valuable service as Chairman of the Committee on Trusts

in the Church Foundation. His associate, Mr. Robert L. Trescher, has given a great deal of time to the hearings of all appeals under our Marriage Canons. Mr. McCracken has always stood by to advise us when Mr. Trescher or I did not know if the Canons covered a given appeal. Mr. McCracken will serve as Chancellor through this Convention and then, with the advice and consent of the Standing Committee, I am appointing Mr. Thomas B. K. Ringe as Chancellor.

In line with a suggestion made at our recent General Convention, I would like to recommend that our clerical and lay Deputies to the 1958 General Convention be elected in 1957. I have asked the Committee on Canons to propose the needed amendment to Canon XX. The chief purpose of this suggestion is that it would enable the President of the House of Deputies to appoint committees and commissions a year in advance of General Convention, thus providing opportunity for greater study of the issues and reports at hand. It would also make it possible to assign work to many more deputies than have participated in the past.

The Chapel in Lambeth Palace was destroyed in World War II. The British Government has rebuilt it. I am joining the Bishop of New York and the Bishop of Minnesota, in asking the American Church to give the organ for the Chapel. It is particularly fitting that the Diocese of Pennsylvania have a part in this gift because our first bishop, Bishop White, was consecrated in this Chapel. I am asking you to give the offering at this service for this purpose.

Even prior to the General Convention, the Committee on Alcoholism of our own diocesan Department of Christian Social Relations was actively at work. On November 14 in cooperation with the Division of Alcoholic Studies and Rehabilitation of the State of Pennsylvania, it sponsored a day's study for diocesan church leaders on the subject of alcoholism. There is to be an Institute entitled *The Drinking Problem and the Problem Drinker* on May 14 at 4:30 in the afternoon at Old Christ Church. The Department plans to develop a sustained program in this field which it is hoped will be of help to the people of the Diocese, and in the course of next year the Woman's Auxiliary expects to give special attention to this subject.

In February we had a most helpful quiet day for the clergy, conducted by Father Wittkofski of the Diocese of Pittsburgh.

In his first meditation Father Wittkofski laid great emphasis on the fact that a priest was a member of a particular presbytery; "a group of priests united by the bonds of mutual Christian love with a bishop. Membership in any presbytery insists upon the understanding of the thoroughly corporate nature and of the fraternal relationship within the diocesan fellowship. The priest can never be a solitary individual who, working in his own private way, seeks to advance God's kingdom. Priesthood must always be exercised within a presbytery." Father Wittkofski certainly gave me a fresh insight into the apostolic concept of the episcopate. "The bishop is called upon to rule a Christian family with love, freely given, freely accepted and freely returned." I realized my inadequacy for such a responsibility and, at the same time, I realize that it is the proper function of my office.

A bishop is a member of the timeless Apostolic College. He is not a solitary individual going his own private way. A priest is a member of the diocesan presbytery. An understanding of the thoroughly corporate nature of our work will lead to a deeper unity within our diocesan fellowship. It is not easy to maintain this unity in a diocese where there is such a wide variety of liturgical practice. Shortly after I became your bishop, I read in the *Living Church* this inquiry, "In what diocese are there the greatest differences in liturgical practice?" The editor answered without hesitation, "The Diocese of Pennsylvania." Perhaps there is a diocese that excels us in this regard, but I do not know where it is!

In spite of our many differences, I do find in our diocesan fellowship real depths of understanding. Certainly the clergy and laity have given me a loyalty far beyond anything that I deserve. I find also an understanding between parishes of very different types of churchmanship. It is obvious that unless this is true, we cannot bear witness to those outside the Church that we are Jesus' disciples. Neither a bishop nor a priest can seek a life of personal isolation. The same is true of a parish. Only once since I have been your bishop has a vestryman said to me, "To be frank with you we are not in the least interested in the diocese. We are interested only in St. X's parish." A parish which attempts to live in such isolation is hopelessly dead. Parishes working together become a mighty force to draw all people into that unity which the living Christ seeks for His followers.

APPENDIX G

REPORT OF THE TREASURER OF THE DIOCESE FOR THE YEAR 1955

The report of the treasurer of the Diocese of Pennsylvania is submitted herewith. The figures are in greater detail than the audit prepared from the diocese books of account and records by Charles S. Rockey & Company, a copy of which is available for examination at the Church House.

Using round numbers for the sake of simplicity, the assessment portion of the budget, that is, funds for the support of the Episcopate, Convention and Diocesan account, and Rectors' salaries and pensions, shows total receipts of $101,000, with disbursements of $91,000, the balance being carried over to reserves.

The missionary budget was met in full. Our pledge to the National Council of $281,000 was discharged and our diocesan expenses were all paid. To accomplish this, 104 churches and missions overpaid their proportionate shares by $22,600 against which we have as an offset the failure of 17 churches to meet their accepted proportionate shares by $11,000.

St. Peter's, Broomall, and St. Paul, Levittown, made further payments against loans made from missionary funds, their balances now standing at $3,000 and $2,000, respectively. With their past record as a guide, these loans should be completely paid off in 1956. St. Thomas, West Philadelphia, continued to reduce the loan of $40,000, the amount now due being $23,600.

Balances in the suspense account, accumulated from prior years, made possible the advancement of missionary work within the diocese as appropriations were made to a variety of projects totaling approximately $15,000.

The accounting department under the able guidance of Mr. Isaac E. Leech has continued to operate loyally and efficiently. To each member of this group should go the thanks of the entire diocese as well as the personal appreciation of the treasurer and assistant treasurer for a job well done.

Respectfully submitted,

FREDERICK R. DRAYTON, *Treasurer*

EDWARD M. MANN, *Ass't Treasurer*

DEPARTMENT OF FINANCE AND PROPERTY

REPORT OF THE DEPARTMENT OF FINANCE

The Department of Finance met bi-monthly except during the summer of 1955 and gave constant thought and study to the many financial problems confronting the Diocese throughout the year.

The Department of Property is sub department under Finance. The Report is separate.

The Committee on Financial Safeguards, Mr. Donald A. Williams, Chairman, a sub-committee of the Department of Finance, meets at the call of the chair and its report will be found elsewhere in the JOURNAL.

The Department notes with pleasure that all bills of the Diocese and its Expectation to the National Council for 1955 have been paid in full. The Diocese had accepted the assigned by the National Council.

The Treasurer's Report is most gratifying showing the break-down of the "Givings." Mr. Drayton, Treasurer, and Mr. Mann, Assistant Treasurer, give personal interest to the Finances of the Diocese and is helpful in the discussions which take place at the meetings of the Department.

A campaign was conducted under the title "Builders for Christ." This campaign has been very successful and the Committee hopes to conclude its work in 1955. A full report will be made to the Convention.

Owing to illness Mr. Clay felt it necessary to resign from the Department. He had given much time and thought to the work and it was with sincere regret on the Department of Finance that his resignation was accepted.

The Chairman expresses his appreciation to the officers of the Diocese and the members of the Department for their splendid cooperation during the past year.

CHARLES S. ROCKEY,
Chairman

REPORT OF THE COMMITTEES ON FINANCIAL SAFEGUARDS

The annual audit of Parish Records for the Year 1954 was carried out over a period of eight months, starting in March 1955 and continuing into October.

The audits could be concluded in much less time if Accounting Wardens and Treasurers could send their records in at the time designated. This would materially shorten the time the books were out of their possession and would result in much more satisfactory service to the individual Churches.

For the Year 1954:

124 reports were received from C.P.A. audits.

19 consented to audit but did not send records.

30 were audited by C.P.A. but no report sent.

30 Parishes did not consent to an audit. This year 3 are going to have such an audit made.

On the whole, this is not a bad record and I hope that all of the Vestries of our Churches will soon comply with these requirements.

It is important that Accounting Wardens and Treasurers, using other firms than Charles S. Rockey & Company, instruct their Accountants to send a copy of their audit to the Secretary of the Diocese at the Church House.

There is still no standard set by which some firms, conducting these examinations, report on Fidelity Bonds covering Church officials, nor on fire insurance coverage.

All Mission properties are kept adequately insured against fire, windstorm and vandalism and the number of Parishes not properly insured is decreasing.

Accountants are again, particularly calling our attention to the observance of Paragraphs 1 and 2 of Section 1 Canon XVI, pertaining to the handling of Trust and Permanent Funds as well as securities.

Vestries and Wardens and Treasurers continually change, therefore it is highly desirable that Canon XVI be reviewed, at least annually, in order that every one be kept well informed.

The Committee wishes to extend their thanks to Accounting Wardens and Treasurers for their valuable cooperation in 1955.

DONALD H. WILLIAMS,
Chairman

REPORT OF THE DEPARTMENT OF PROPERTY

The Committee participated in the following Diocesan projects —secured an architect and had plans made for a Parish House at both All Saints, Fallsington and Grace Hulmeville. We consulted with the Committee and the Architect for a new church at St. Cyrils, Coatesville.

Our Architects Committee approved plans for the rectory at St. Andrews, Somerton, and the church at St. Philips, Oreland.

We advised and assisted Christ Church, Eddington, St. Barnabas, 3rd and Dauphin Streets, and St. Ambrose Mission at Howard and Ontario Streets about repairs. One of our engineers took charge of the rebuilding of the walls at Epiphany, Royersford.

We inspected and assisted with the purchase of a vicarage for Trinity, Gulph Mills, and bought a piece of ground for St. Andrews, Belmont Hills, through the Church Foundation. We sold the Rectory on Seward Lane for St. James, Green Ridge, and had many meetings with the Church Foundation in connection with the sale of St. Pauls, Edgely, which we had appraised for them. We inspected sites at King of Prussia, in Marple Township and at Brookhaven for future parishes or missions.

RONALD J. MCCARTHY,
Chairman

REPORT OF THE THE DEPARTMENT OF PROMOTION

During the past year, the Department of Promotion has been able to do little else than further the holding of efficient Every Member Canvasses in the various parishes. Up to the present time, it has seemed impossible to inspire other members of the Department to take the initiative in other aspects of promotional work which might well be done. Outside of the two churches which broadcast regularly, we are doing nothing in the field of radio or television. We are certainly not using the newspapers to good advantage as advertising media. There are surely other ways in which we might be furthering the work of the Diocese as a whole. However, your chairman, together with his parish work, has been unable to further these other things.

In relation to the promotion of efficient Every Member Canvasses, three meetings were held in three sections of the Diocese during June, which were attended by clergy and Canvass chair-

men, with an attendance of approximately three hundred fifty men and women. During the latter part of September and the first week in October, six Convocational meetings were held for people who wished further advice and counselling on the conducting of the Canvass. About two hundred attended these meetings. The chairman of the Department of Promotion has spoken at eleven parish meetings and one luncheon. There have been two meetings of the Promotion Department itself. The Department purchased the film, "Be Ye Duly Thankful," and rented another copy from the National office, and these were used by eighteen parishes during the fall. A total of 178,000 pieces of literature have been distributed through the office of The Church of the Holy Trinity, this work being done largely by the secretarial staff of the parish. The breakdown of this is as follows:

Pledge Cards	54,000
Diocesan Mailing Folders	30,000
Parish Information Cards	17,500
Gifts to God Go Farther	17,000
Church Calendars	15,500
Forbidden to Give	13,000
Parish Record Cards	4,400
So You're Going to Be a Canvasser	4,400
Canvasser's Reminder Cards	4,350
Four Issues, Partly Printed Parish Papers ..... each	4,100
Canvass Issue of *Forth*	1,000
The Best of *Forth*	200
Extra Posters	115
Additional Canvass Chairman's Guides	85
Canvass Mats	25
"As the Lord has Blessed You"	25
Filmstrip, *Creative Canvassing*	1

There was a charge for some of this literature and the parishes have been billed for this expense. At this time there is $317.34 owing from the parishes.

Your Department chairman is greatly indebted to Bishop Armstrong, the Rev. Francis B. Rhein, the Rev. Thomas E. Little, and Messres. P. Blair Lee, Daniel M. Layman, J. Pennington Straus, and J. Peter Williams for help in the meetings which were held. We would like to think that the apparently ready acceptance of increased quotas by the parishes is partly due to the Department of Promotion. Although it is too early for reports on the Every Member Canvasses, unofficial information indicates a general and significant increase in giving.

It is hoped to have a meeting of the Department of Promotion in January and to enlarge the activities of the Department.

Respectfully submitted,

HARRY F. LONGLEY,

Chairman

DEPARTMENT OF MISSIONS AND CHURCH EXTENSION

REPORT OF THE DEPARTMENT OF MISSIONS

During the year 1955 the Department of Missions was very busy. Many repairs were made to mission properties, there were numerous personnel changes and future plans were formulated. Some of the highlights were:

Necessary repairs were made at St. Titus', Elmwood; St. Bartholomew's, Philadelphia; St. Martin's Marcus Hook; St. Luke's, Eddystone; St. Ambrose's, Philadelphia; and St. Elisabeth's, Philadelphia.

A sum of $500.00 was appropriated for equipment for the Church School at Christ Church, Eddington.

A new roof was installed at St. Andrew's, Belmont Hills.

Approval was given for the placing of a $40,000 mortgage for the building of a parish house at St. Andrew's, West Vincent.

The buildings and lots at Edgely, formerly St. Paul's, Edgely, were sold.

A new church is being erected at St. Cyril's Coatesville, to replace the old structure.

Repairs were made to the vicarages of St. Mark's, Honey Brook; St. John's, Compass and St. Andrew's, Belmont Hills. The cellar of St. Mary's vicarage at Chester was cemented as protection against termites.

An addition to the parish house at Grace Church, Hulmeville, has been started.

An architect was employed and plans made for the building of a parish house at All Saints', Fallsington.

A new parish house was constructed at Christ Church, Eddington.

Permission was given for St. Bartholomew's, Philadelphia, to assume a debt not to exceed $3,000 for the purchase of a new organ.

A vicarage was purchased for Trinity Mission, Gulph Mills.

The Rev. Richard K. Bauder appointed vicar of Emmanuel Mission, Quakertown.

Mr. Ralph K. Rogers again appointed Seminarian in charge of St. Titus', Elmwood.

The Rev. John L. Stiffler appointed vicar-in-charge of St. Philip's, New Hope.

The Rev. Joseph N. Laird was appointed vicar of Ascension, Parkesburg; St. John's Compass; St. Mark's, Honey Brook; and St. Mary's, Warwick. The Rev. Frederick A. Breuninger was appointed to assist with the work at these four missions.

The Rev. Donald B. Baldwin appointed vicar of St. George's, Richmond.

The Rev. Richard C. Chapin appointed vicar of St. Luke's, Eddystone.

Mr. David Hilsee appointed lay reader-in-charge of St. Andrew's, Belmont Hills.

The Rev. John R. Reeves appointed vicar of St. James's, Green Ridge.

The Rev. Harold C. Kellogg appointed Minister-in-charge of Epiphany, Royersford.

The Rev. Donald L. Farrow appointed vicar of St. Andrew's-in-the-Field, Somerton, to replace the Rev. F. Lee Richard who resigned.

The Rev. James G. Ludwig resigned as vicar of Trinity, Gulph Mills.

St. Albans, Newtown Square, was granted parish status.

In anticipation of the Campaign for Capital Funds for Church Extension the Department of Missions through the Convocations began a study of the needs in the Diocese as a result of the development of Delaware Valley with its attendant population increases and changes.

A Joint Committee on the City Church of the Department of Christian Social Relations and the Department of Missions, composed of twenty-four members under the Chairmanship of the Chairman of the Department of Missions, has been formed. The objectives of this Joint Committee on the City Church are:

1. To examine problems now being faced by parishes and missions in densely populated areas of the Diocese, with special reference to those problems which have led certain urban parishes to shut up shop and move elsewhere.
2. To consider and define the obligations, spiritual and social, of an urban church toward the residents of its immediate neighborhood, particularly in locations where populations are changing.
3. To suggest new ways and means of meeting these obligations, especially through bringing the power of God's word to people without church affiliation.
4. To make appropriate recommendations to organizations equipped for action, such as the Department of Missions, the Department of Christian Social Relations, the Department of Christian Education, the Philadelphia Council of Churches and the Division of Urban Industrial Church work.

This Committe has met for information at the Rittenhouse Club where a presentation of some of the problems was made. The Committee then met at the Church of the Advocate where the rector, members of the vestry and the congregation presented the work being done as a neighborhood church. A list of books has been obtained and a magazine "The City Church," published by the National Council of Churches, has been recommended to the members. This will be a continuing committee as we are quite aware that the problem is vast in scope. I would like to thank the Chairman of the Department of Christian Social Relations and the Rev. Arnold Purdie for their enthusiastic cooperation and support.

REPORT OF THE CONVOCATION OF CHESTER

1955 has been an active year in our missions of this Convocation. Particularly in those places which are feeling the result of the population growth of greater Philadelphia. As will be noted from the following report, several changes were made in our missionary

personnel. As Dean, I have been able to observe our Vicars and Ministers and can report that they are doing excellent work.

Ascension, Parkesburg—This is one of four missions which is now being served by the Rev. Joseph H. Laird and the Rev. Frederick A. Breuninger. Real progress is being made here. The new Vicar, Mr. Breuninger, was enthusiastically received by the mission and is receiving much help and encouragement from his congregation. While last year we stated in our report that we were going to watch this mission to determine its future, this year we are happy to say there is a real feeling of re-birth and we are hopefully looking forward to the future.

Ascension, West Chester—Rev. H. Albion Ferrell has been its Vicar for six years and this tenure of office is the longest in the history of the mission. As a result it has created a sense of security. The mission property is in good shape.

St. Andrew's, Belmont Hills—Mr. David E. Hilse has replaced Mr. Harry Shelly as Lay Reader in charge and is living in the Vicarage. Considerable work has been done to the Parish House and Vicarage. An adjacent lot was secured and is solving the parking problem of this mission.

St. Andrew's, West Vincent—Now has the advantage of having the Rev. Kenneth C. Werner as full time Vicar. With the new Parish House this mission is growing and we are looking forward to the time when they will be able to assume Parish status.

St. Cyril's, Coatesville—Father Ferrell, the Vicar, also serves Ascension, West Chester. The old church and vicarage have been demolished and are being replaced by an attractive and very serviceable church and parish house combination. This mission has temporarily captured the limelight of the Convocation because of its new building program. $4,000 towards this building has been pledged by the Woman's Auxiliary; $5,000 by the congregation of St. Cyril's, Coatesville. The Diocese has assumed the responsibility for the rest of this undertaking.

St. James, Green Ridge—The Rev. John R. Reeves became Vicar of this mission October 1, 1955, when he replaced Dr. Morton DeC. Nachlas. I have been particularly impressed by the sincerity and devotion of the Vestry Committee. There has been a decided increase in attendance at the various services and a large confirmation class has been prepared for Confirmation. All

in all, this mission is keeping up with the growth of the section it is serving.

St. John's, Compass—Another one of the four missions served by the Rev. Messrs. Breuninger and Laird. Mr. Breuninger lives at the Rectory here and while there is not too much actual growth, there is a renewed interest in the church here. Plans are being studied to get some additional space in the basment for use as classrooms for the church school.

St. Mark's, Honeybrook—Mr. Laird succeeded the Rev. Harris E. Baldwin as Vicar of this mission in 1955 and while he is living at the Rectory in Honeybrook, he is also working with Mr. Breuninger in the Missions in Compass, Parkesburg and Warwick. The Church was re-painted and new carpet was paid for out of the Carpet Fund of the Church and the Parish continues to make its contribution to the spiritual life of this community.

St. John's, Essington—The Rev. Harry R. Johnson, Jr., the Vicar, feels that it will not be long before this church will be able to apply for a Parish status. The outstanding debt on the Rectory will be fully paid off the early part of 1956. The Parish House has been renovated with only a new floor to be finished, which work they hope to complete the early part of 1956.

St. Luke's, Eddystone—The Rev. Richard Chapin, who acted as Lay Reader, was ordained in 1955 and is continuing at St. Luke's as its Vicar. A survey is being planned for the Crum Lynne, Woodlyn areas which is expected to bring some new families into the Church. $2,000.00 was raised by the women of St. Luke's for necessary repairs in the Vicarage. A large Confirmation Class is being prepared and will be presented in the Spring of 1956.

St. Mary's, Chester—During the year a new organ was purchased which made Father Miller's work in conducting the services easier. The cost of this organ, $3,400.00 is being assumed entirely by this mission. At the end of 1955, $1,700.00 had already been raised toward this project and they hope to have the entire cost met by June, 1956, at which time we hope that then the mission will be able to assume some financial responsibility toward the Vicar's salary.

St. Mary's, Warwick—This is another one of the four missions under the leadership of the Rev. Mr. Joseph Laird, assisted by the Rev. Mr. Frederick Breuninger. At the present not too much

growth can be expected in this mission, but everything is being done to keep the property in good shape. Considerable work is being done on the Parish House facilities of the Rectory building.

St. Martin's, Marcus Hook—This is one of the historic churches in our Diocese and is being served with love and devotion by the Rev. Melvin M. Heckler who sees to it that everything is kept in good order.

St. Peter's, Broomall—Is located in one of the most rapidly growing areas of the Convocation. This is reflected in the steady growth of both congregation and the church school. The Rev. Vernon Matthews, the Vicar, firmly believes that within a few years this mission should be able to assume Parish status.

Oxford—Under the leadership of Rev. Mr. St. Clair, the Rector of Advent Church, Kennett Square, services have been conducted monthly in a private home in this community. The results are carefully being studied and we hope to introduce more frequent services in the near future and possibly rent temporary facilities.

High Meadows—We are planning a new mission in this location which is close to Brookhaven and a very rapidly growing community.

Much help has been received from the Executive Committee of the Convocation, especially from Mr. John A. Eiseman who continues to serve as Secretary and Treasurer; the Rev. Mr. Elbert K. St. Clair, Chairman of the Program Committee; the Rev. Mr. John H. Hauser, Chairman of the Committee on New Sites, who together with Mr. St. Clair, has spent much time and thought on a new work in Oxford; Mr. Francis R. Austin, Chairman of the Property Committee, who has done much to help the Dean and the missions by investigating and recommending repairs to our mission properties; Mr. Freas B. Snyder who has been very helpful in various real estate matters which have come up in the Convocation and who is always ready to serve wherever his services are needed, and last but far from least, the tremendous help we continue to receive from the Woman's Auxiliary of the Convocation and their President, Mrs. Paul B. Banks. Their devotion and generosity, as well as their loyalty, always will be felt in the Convocation of Chester.

Respectfully submitted,

PETER C. VAN DER HIEL, JR., *Dean*

PRESIDENT'S MESSAGE

During 1955 two well attended meetings of the Woman's Auxiliary of the Convocation of Chester were held. At the Spring Meeting at St. George's Church, Ardmore, the Rev. George Tittman, Rector of St. Mary's Church, Arlington, Virginia, told us about the Society for the Promotion of the Overseas Mission of the Church and its purpose.

At the Fall Meeting at the Church of St. John the Evangelist, Lansdowne, the theme for the day was "Personnel." Bishop Hart, Mrs. Gideon, Mrs. Robbins and Mr. Brill, spoke briefly on this subject during the morning meeting. Our afternoon speaker was the Rev. William Beal, Chaplain of the University of Maryland. He spoke on the cause of college work in the Episcopal Church.

We are very grateful to these two parishes for their gracious hospitality.

In April we will have completed our pledge of $4,000.00 for the furnishings and equipment of St. Cyril's Mission in Coatesville. The Emergency Fund of $1,000.00, raised during the last two years, provided over $400.00 for needed Mission repairs within the Convocation. Dean Van der Hiel has kept us informed of the progress of the work of the Missions.

The Memorial Fund, which came into being in 1923 for the purpose of increasing the yearly receipts and which was set up as an interest-bearing fund, has been well supported. It is hoped that more parishes will avail themselves of this means of perpetuating the name of a beloved member.

A Speaker's Bureau has been established and those parishes interested in its service may contact Mrs. Benjamin Eaton, Chairman, CLearbrook 9-4042.

CONVOCATION OF GERMANTOWN

At its Spring Meeting held on April 19th at St. Andrew's-in-the-Field, Somerton, the Convocation of Germantown approved the recommendations of the Executive Committee to the Department of Missions as follows:

a) Need for a Parish House at St. Paul's, Edgely-Levittown.
(Plans for this have been delayed because of lack of Diocesan and local funds.)

b) The sale of the old Church site at Edgely.
(This has been done.)

c) The purchase of a site in Eddington.
(This was not done.)

d) Diocesan aid in erecting Parish House at Humeville.
(This has been done.)

e) A Parish House for All Saints, Fallsington.
(Money has been allocated and plans have been drawn, and work will soon be under way.)

A resolution presented by Mr. Dietrich requesting the Convention to devise ways and means to provide adequate financing to meet the missionary needs in the Diocese was passed and later approved by the Convention and referred to the Executive Council. Plans were also approved to establish a Convocation Planning Committee which has since been done and exists under the Chairmanship of Mr. Sidney Dexter.

The Fall Meeting of Convocation was held on October 18th at Christ and St. Michaels. Mr. Dexter reported briefly on the work of the Planning Committee which was followed by a very well organized illustrated report from the vicars concerning their work. To the delegates present it gave the closest approach to a first hand knowledge of the field that they had had, and led to plans for our next meeting of Convocation which after a service and brief business meeting will consist of a round-trip tour by bus to each of the missions of Convocation.

Concerning progress during the past year apart from what has already been mentioned above; All Saints, Fallsington, is doing all it can awaiting expanded facilities. There has been a 25% increase in Communicant strength and an almost 75% increase in the Church School. Grace Church, Humeville, now that it has its new Parish House, will soon show increase in numbers and activities. Already their offerings and pledges have almost doubled. At Christ Church, Eddington, some much needed improvements

and renovations have been made in the Parish House. The Church School has continued to increase so that some classes have to meet in the school bus as there is at present no other accommodation for them. Two new housing developments have opened bringing young couples with families to the Church. The confirmation class last year was the largest in the history of Christ Church (34) and the class this year will be every bit as large. St. Andrew's-in-the Field, Somerton, continues to grow and prosper under the Rev. Donald Farrow as it did under the Rev. Lee Richards. The trend in the number in the congregation continues upwards. In Dec. 1954, 554 baptized persons were reported, in Dec. 1955, 619. There seems to be a continuing rise in the numbers attending services from an average of 100 last year to 220 this year, the 9:30 service being twice as large as the 11:15. Pledges showed an increase of $3,000.00 over last year. The new vicarage has been completed and the vicar and his family are already in residence.

Until a new Parish House can be constructed St. Paul's, Edgely-Levittown, has almost reached the saturation point. Even so, however, communicants have increased from 354 to 432 and the Church School from 345 to 377. The driveway and parking area have been paved with asphalt and the bare ground converted into what by spring will be a green lawn.

The following clerical changes have taken place in the Convocation this year: The Rev. George E. Condit resigned as Rector of St. Matthias and the Rev. Arthur B. Narberth became Rector. The Rev. James Dawe became Rector of St. Stephen's, Wissahickon. The Rev. F. Lee Richards resigned as Vicar of St. Andrew's-in-the-Field and the Rev. Donald L. Farrow became Vicar. The Rev. Arthur Matthews resigned as Rector of Church of the Redeemer, Andalusia. The Rev. James T. Berger was appointed Vicar at the Cathedral Church of Christ, Roxborough. The Rev. Edward E. Elliott was appointed Curate of Christ and St. Michael's. The Rev. Kenneth A. B. Hinds was appointed Curate of St. Luke's, Germantown. The Rev. Joseph N. Leo, Jr., resigned as Curate of the Good Shepherd, Germantown. The Rev. Charles B. Mitchell was appointed Curate of All Saints, Torresdale. The Rev. Robert M. Wainwright was appointed Curate of St. Paul's, Chestnut Hill. The Rev. John L. Stiffler was appointed Minister-in-charge of St. Philip's, New Hope.

The Woman's Auxiliary to the Convocation has had a very

active year under the Chairmanship of Mrs. Cocker, a report of which follows.

My term of office as Dean of Convocation expires at our April Meeting. In closing I wish to add this personal note of thanks to the many, many splendid men and women who have worked so closely and helpfully with me during the past years. Without their loyalty and devotion and willingness to assume responsibilities, the work of the Convocation would have suffered greatly. I have the highest admiration for the splendid group of young men whom we have as vicars in our Mission Churches and of the devoted work which they are doing. To Bishop Armstrong and Bishop Hart my thanks for their consistent patience and good nature and for allowing me to serve the Diocese in some small measure these past four happy and fruitful years.

THE WOMAN'S AUXILIARY OF THE CONVOCATION OF GERMANTOWN

Like a sturdy oak situated upon a hill, we look over the valley with definite objectives in mind. Our slogan might well be synonymous with that of a noted industrial corporation—"Progress is our most important product." I believe that the women of Germantown Convocation will agree that no stone must be unturned in meeting the needs of the present and the demands of the future.

Meetings during 1955 were scheduled as follows:

Educational Day—January 18, Grace Church, Mt. Airy. Speaker: The Rev V. M. Mathan, Mar Thoma Syrian Church of Malabar, South India.

Devotional Day—March 15, Holy Innocents (Tacony). Holy Communion preceded a Meditation by The Rev. Albert M. Holloway, Rector of Trinity, Oxford. Speakers at the afternoon session were: Miss Throdora Green, Secretary, Church Periodical Club. The Rev. Daniel B. Stevick, Vicar, All Saints, Fallsington.

Annual Meeting—April 19th, St. Andrew's-in-the-Field, Somerton. Following a Celebration of the Holy Communion, Bishop Hart spoke of the work to be done in the Mission Field.

Fall Meeting—October 18, Christ Church and St. Michael's, Germantown. Speakers: Mrs. Charles Myers, Diocesan President; Mrs. Henry J. Gideon, Diocesan Vice President in charge of the Department of Prayer and Worship. (Delegates to the Triennial Meeting of the Woman's Auxiliary to the National Council, in Honolulu, September 1955.) Illustrated reports by the Vicars on the work of Convocation Missions.

"Phantom" Garden Day—As a departure from traditional Garden Day, and with the hope of creating greater interest, each

Parish Auxiliary was asked to make a financial contribution. Returns from the 1955 "Phantom" Garden Day amounted to $893 and were sent to Christ Church, Eddington.

Please refer to the Treasurer's Report for a complete accounting of our finances.

Looking back over the years, we see decided progress—progress that could have never materialized had it not been for the co-operation and loyalty of our women.

It has been a privilege to serve under Dean Trowbridge whose keen interest in our Missions has been repeatedly demonstrated.

As we pause briefly in retrospect, we are reminded of the present, for the very essence of our Lord's teaching is a call to Service and Service implies Action. This quality so engrained in our women has been an inspiration to one who has been privileged to serve Germantown Convocation.

Respectfully submitted,

REPORT OF THE CONVOCATION OF NORRISTOWN

In common with the area in which we live, we in the Convocation of Norristown are confronted with a large population growth in our convocation and around the edges. This is of primary concern to all of the people of the Diocese and means the growth of a large amount of missionary work if we are all willing to shoulder some of the responsibility. In this convocation at the present time, there is a fine opportunity at King of Prussia and then just beyond our border in Bucks County in the Southampton area. In both of these areas there have been constructed many new homes and they are occupied by the time they are built. We have great hopes that we may be able to start work in these and other areas before long.

St. Philip-in-the-Fields, Oreland, laid the cornerstone of its new church building on October 30th and hope to worship in the new church by Easter 1956. This is a wonderful thing for the work at St. Philip's which had outgrown its facilities several years ago. The Vicar, the Rev. Joseph Tatnall and his people are to be congratulated for the part they have played in this undertaking. When the church building is completed, we will have a fine plant to carry on our ever growing work in this growing community.

Epiphany Church, Royersford, has taken strides forward this year. The Rev. Harold C. Kellogg who was ordained during the year has given fine leadership to this mission for the past few years as its lay reader and during the past year several much needed improvements were made in the church building and now a plan of restoration for the rectory is in process. With the advent of new industry in Royersford, the Vicar and people feel that they have an opportunity now to really go forward.

Trinity Church, Gulph Mills, has continued to show hearty growth during this year. The Rev. James G. Ludwig resigned in the Fall to become rector of a parish in the Diocese and the Rev. Hayward B. Crewe was appointed Vicar. A new Vicarage was purchased and the new Vicar and the people have been working very hard to keep up with the growing work in this mission.

St. Anne, Willow Grove, has expanded its work in the community by taking over the religious work at the Willow Grove

Naval Air Station, and the Vicar and people have been working hard to keep up with the expanding work of the mission. The budget of St. Anne's has been increased and the people have responded to help meet the need.

The Church of the Good Shepherd, Hilltown, is flourishing and the people working very long and hard under the leadership of the Rev. Dr. Nathaniel B. Goton. The church has been enlarged to about twice its original capacity and it has been improved and beautified and this congregation which is our newest mission is to be warmly congratulated on the wonderful growth it has had in such a short period of life.

Emmanuel Church, Quakertown, during the year has made real strides forward. The Rev. Richard K. Bauder and the people of the congregation have spent this year growing up to the stature of a parish and plan to apply for parish status during 1956. This is very good when we consider that this mission has been in Quakertown for the past 60 years.

All of the missions of the convocation have grown during the year of 1955 and we are proud of the work done by the Vicars and the people.

This report of the convocation would not be complete unless we gave a large measure of credit to the Woman's Auxiliary for all the work, effort and planning they have done to make possible some of the growth we have experienced.

WOMAN'S AUXILIARY OF THE CONVOCATION OF NORRISTOWN

Norristown Convocation held two regular meetings, the Spring meeting at Epiphany Mission, Royersford and the Fall meeting at Trinity Memorial Church, Ambler.

The attendance has been most encouraging with 164 delegates and visitors attending each service.

There were two educational days and two meetings of the Executive Committee.

The pledge of $1,000.00 was fully realized and presented to Epiphany Mission, Royersford, for organ repairs; also $100.00 was given to St. Anne's Mission, Willow Grove, for the church school.

Several splendid speakers were heard during the year. In May Mrs. Walter Harvey gave full details of the Conference Centre and the Intensive Weekend. Miss Elizabeth Daniel told of her religious educational work at the Windham House, New York.

At the Fall meeting three speakers having attended the General Convention gave delightful accounts of the trip and general activities. Mrs. Samuel Kirkpatrick covered Christian Social Relations; Mrs. Blair Lee included the United Thank Offering; Mrs. Henry Gideon spoke on prayer and worship and stressed the importance of witnessing in the community.

Dean Jones rendered helpful service to the Auxiliary.

DOROTHY R. PARTRIDGE, *President*

CONVOCATION OF NORTH PHILADELPHIA

The May meeting of the Convocation for the year 1955 was held at St. Bartholomew's Church. We were honored to have as our preacher, Fr. Joiner, then still Rector of St. Clement's Church. Since then he has retired after a long and successful rectorship. We in the Convocation want to pay tribute to Fr. Joiner for his wise leadership and sincere devotion, not alone to his parish, but also to the Convocation and the Diocese.

Our good friend, Fr. Wood, of St. James-the-Less was our preacher at the October meeting which was held at St. Matthew's Church.

We welcome into our Convocation two new men. The Rev. Mr. Harding has become Rector of Old Christ Church, and Fr. Elwell has become Rector of St. Clement's Church.

The Rev. Mr. Degerberg has been ordained and now is in full charge of St. John's Church. He and his wife are living in the new Rectory recently bought by the parish.

The Rev. Mr. Baldwin has also been ordained and is doing fine work at St. George's, Richmond. Mr. Balwin has just been married. Congratulations and best wishes to both of you.

Work is progressing in our missions. Extensive repairs have been made to the properties at St. Ambrose and St. Bartholomew over the past year. The work at Advent has been growing. It aims to become an inter-racial congregation.

This past year saw a most successful merger of two parishes. St. Augustine and the Covenant are now one. The plant at 27th and Girard Avenue has been beautifully renovated. The work is progressing under the fine leadership of Fr. Turner.

Scholarships to the Young Peoples' Conference were provided.

We thank the officers and members of the Women's Auxiliary of the Convocation for their loyalty and splendid work. They generously helped St. Bartholomew's install a new electronic organ in the past year.

NO REPORT

THE CONVOCATION OF SOUTH PHILADELPHIA

We are glad to report that there are no vacancies in the Convocation of South Philadelphia. The Rectors and Vicars are doing good work in this urban field.

The October meeting of Convocation was held at Gloria Dei. The Rev. Harry S. Longley, D.D., a delegate to the General Convention in Honolulu, gave an interesting and informative report on the highlights of the Convention and illustrated his address with slides of the Convention and of the Island.

The May meeting was held in Prince of Peace Chapel. Officers of the Convocation were elected.

The Bishop has appointed a number of the clergy of the Diocese as chaplains of the hospitals in the vicinity of their respective parishes. These chaplains visit members of the Episcopal Church who are patients in the hospitals.

We welcome to our Convocation the Rev. E. Carl Sandiford, Curate of St. Peter's Church, and the Rev. Cornelius R. Dawson, as Rector of the Church of the Crucifixion. Mr. Dawson has been acting as priest-in-charge for some time.

We are glad to report that the Rev. J. DeCosta Harewood, D.D., has recovered from his recent operation and has returned to his duties as Rector of St. Philip's Church.

Hurricane Diane did some damage to St. Elisabeth's Mission. The damage has been repaired and the property is now in good shape. The Rev. Theron A. Vallee, Vicar, reports progress.

The young people who were sent to the Young People's Conference reported that they were greatly benefited by attendance at the summer conference. The Convocation expects to vote two more scholarships for the coming year.

We appreciate the good work that the Woman's Aid to Convocation is doing, in assisting in the work in our area. We congratulate Mrs. Frederic Nelson on her election as President of the Woman's Aid and wish her and her officers a very successful term.

REPORT OF THE WOMAN'S AID TO THE CONVOCATION OF SOUTH PHILADELPHIA

We began this year with our Educational Meeting in January at Holy Trinity Parish House. The morning Business Meeting was followed by a Communion Service celebrated by Dr. Longley and Mr. Pollanick. After lunch Mrs. Haushalter gave a splendid talk on "Contemporary India," reviewing Bishop Neill's book, "Under Three Flags." The meeting closed with the showing of the film of Dr. Frank Laubach's, "Each One Teach One."

Our April Business Meeting followed the supper with the men of the Convocation at the Chapel of the Prince of Peace. Our speaker at the dinner was Mrs. Ludwig. Holding the meeting after the dinner was an experiment which it was decided not to continue, as it cramped our meeting for time.

The October Meeting was held in the afternoon at Gloria Dei. Miss Talbot gave an account of the very moving service at St. Simon The Cyrenian to celebrate Father Logan's Fiftieth Anniversary. Mrs. Ludwig spoke to us about the General Convention and showed some beautiful pictures. Her address was followed by talks by three young people who went as Delegates to the Youth Conference at the Conference Center in June. We were gratified

to have made a substantial contribution toward their expenses and hope to continue this contribution.

The Treasurer's Report gives a detailed account of our donations and interests, but the fellowship among the churches of the Convocation is our most important objective. Last year our pre-Lenten Quiet Evening led by our own Devotional Chairman, Mrs. Lela Williams and Mrs. Beath of St. Elisabeth's, was not only spiritually invigorating, but a means of strengthening our ties. We look forward to repeating this evening on Shrove Tuesday at St. Simon The Cyrenian.

Respectfully submitted,

MRS. FREDERIC NELSON

THE CONVOCATION OF WEST PHILADELPHIA

The three Missions of this Convocation have had successful years, both spiritually and other ways.

St. Monica's Mission, under the guidance of the Rev. Matthew W. Davis, has had a good year as the work of the Kingdom of God goes forward and the spiritual life of the members deepens.

The Church School is steadily growing and the teaching staff has increased. A Family Worship Service as the opening Service is followed by the class periods.

The Men's Fellowship has a good program with regular activities. Their meetings are well attended, often with fine speakers .

The Woman's Auxiliary has done especially good work. They sponsored a successful Lawn Fete, from which the financial budget of the Church received great help.

St. Monica's Guild (a group of about 25 young women) should be cited for their excellent work and especially for the gift of the fifty new metal chairs for the Parish Hall. Of course the Woman's Auxiliary of the Convocation and the Men of the Convocation are to be thanked for their combined gift of fifty metal chairs, making the total one hundred new chairs.

A new Baldwin Electronic organ was secured. $1800.00 was borrowed and with the trade-in of the old organ they were able to make the change which has done much for the worship service. The music and Choir is now up to accustomed caliber of the Vicar. $600.00 has been raised, with $1200.00 more to come in to repay the above loan. It is expected to have it all in before the first of June.

The Rector's Aid Guild sponsored their Fourth Annual Bus Trip to Jones Beach, N. Y., and from the net receipts they paid the taxes and water and sewer rent for the Vicarage. The group is small but they meet each month and are helping in a big way.

The Altar Guild continues to do fine work. Among their activities was a Rummage Sale, as well as the sale of the large Church Kalendars. They supply all the needs of the Altar as well as the candles.

The Servers Guild is a group of fifteen young boys and several older, who can always be depended upon to be present and to serve the Priest at God's altar. They are very faithful.

In all respects St. Monica's has had a fine year of good work under the leadership of the Rev. Mr. Davis.

St. Titus' Mission is continuing to move forward with the able help of Mr. Ralph K. Rogers, a student of the Philadelphia Divinity School, as Seminarian-in-Charge.

Our Lord commanded the Apostles to feed His sheep. The Holy Scripture does not show where He commanded the sheep to be counted, yet statistics can well be an indication of the condition of the sheep. The statistics of St. Titus' Mission are encouraging. Total attendance at all services increased from 1,792 in 1954 to 4,381 in 1955, certainly somewhat of an indication of the increased spiritual vigor of this Mission.

During the year 16 persons (after a minimum of 40 hours of instruction for each) were confirmed at a service at which there was "standing room only."

In 1954 the Lenten evening services were attended by a total of 48, whereas in 1955 the Lenten Program, based on the National Council's publication, "What We Believe," resulted in a total attendance of 370. The success of the program was due in large measure to the splendid cooperation of a number of students of the Philadelphia Divinity School.

Increased attendance is but a part of the story of progress — increased activity of Mission organizations is also an indication of increased Christian concern on the part of this Mission. The Boys' Club, under the direction of Adam S. Tannous, Seminarian of Philadelphia Divinity School, although newly organized has flourished and is providing a proper outlet under Christian influences for the energies of some 20 young boys of the neighborhood.

For a number of years Gary Gressell served as the only acolyte at St. Titus. On Whitsunday, the Very Rev. Frank D. Gifford, Dean of the Philadelphia Divinity School, admitted as servers 9 young men and boys who now comprise the Acolytes Guild of St. Titus. At this service the Acolytes and the new Junior Choir wore for the first time, the cassocks and cottas presented by the Woman's Auxiliary of the Convocation of West Philadelphia. The people of St. Titus are indeed grateful to the women of the Convocation for their interest and their labors in tailoring these beautiful vestments.

The Altar Guild work for several years has been carried on by two young ladies; during the past year the Altar Guild membership has increased to a total of seven senior members and seven junior members.

After a lapse of many years the Young People's Fellowship has been revived and is now meeting regularly each week with a total membership of more than 20 young people.

The Woman's Auxiliary has also increased in its active participation, not only on a parish level but on a wider scale. Participation in Diocesan and Convocation activities has been greater than ever before.

The Church School, under the able direction of William F. Gender, III, Seminarian in charge of Religious Education, has shown remarkable progress. In October, 1954 there were three pupils and one teacher on the rolls; at the close of 1955 there are nine teachers and 52 pupils — and attendance is excellent. The Church School Halloween Party, Christmas Pageant and Christmas Party were events of real social significance not only to the Mission but to the community which the Mission serves.

One of the most successful Parish Picnics in the history of St. Titus' took place in July with over 120 persons attending.

At Thanksgiving several hampers of food were delivered to the Home of the Merciful Saviour and a cash donation was sent to Episcopal Hospital. The women of the Mission prepared and gift-wrapped 100 Christmas packages for distribution at Philadelphia General Hospital. Several needy families in the Mission received numerous gifts of food, clothing, toys and money from the congregation of St. Titus and from individuals outside the Mission as the result of the interest and concern shown by the members of the Mission.

Physical improvements to the Mission continue to be accomplished. The interior of the church building, basement, kitchen, choir room, vestry, and sacristy have been repainted. A new ceiling has been installed in the kitchen. Shrubbery which detracted from the appearance of the grounds has been removed and a new toilet and lavatory have been installed in the basement of the Church.

Thanks to the untiring and generous efforts of Mrs. Harry West Jones, Miss Theodora Green and the Church Periodical Club, St. Titus now has a parish library of over 350 volumes, a new 3-speed automatic record player, a wonderful selection of records and a

new tract table — all of which are receiving extensive use. The Philadelphia Divinity School has loaned the Mission a number of pieces of furniture and two blackboards — a tremendous help to the growing Church School.

No report of progress would be complete without mention of the third phase of stewardship — the use of money. It is quite encouraging to note that receipts for the year increased more than 35% over 1954 but perhaps more important is the fact that the Mission budget increased 68% over the previous year. This certainly must be an indication that the people of St. Titus are not only aware of their responsibility to spread Christ's Kingdom but that they are making a real effort to fulfill their responsibility.

During the year 1955 St. Cyprian's Church Elmwood underwent some rather paradoxical experiences. These were characterized by considerable growth through new members (32) for Confirmation, and by much harder work by the organizations; but on the other hand by an attitude of self-satisfaction and complacency on the part of many of its members.

Due to this complacency it was necessary for the organizations to strain themselves to the limit in contributing to the Church's budget in order to end the year without too great a deficiency in meeting the budget. St. Agnes' Guild contributed $200.00; St. Bridget's $200.00; the Men's Club $150.00. As the year ended our struggles brought us within $150.00 of our annual financial obligations.

The picture presented above is not intended to cause alarm. In reality the total income for 1955 surpasses considerably that of any preceding year, but due to the fact that it was necessary to hire a Sexton (not done in previous years) and because of the heavy outlays of capital in repairs and painting of the undercroft of the Church in preparation for Convocation, entertained in May, St. Cyprian's found themselves short as the year ended.

The circumstances at present are sufficient to support a realistic hope for substantial progress in the year ahead. Without being at all overly optimistic, the Vicar of the Congregation, the Rev. Paul M. Washington, believes that the labors and fruits of their acts of worship this year will bring them to its close in better circumstances than in the preceding year.

We also had our three usual Convocation meetings:

1 — Education day, January 20 at St. Mary's, Hamilton Village. The Rev. Ninan Kallumpurath of Mar Thoma Syrian Church was the speaker, and he explained the operation of his Church in Mar Thoma.

2 — (See below)

3 — October 20 we united with the men of the Convocation at St. Mary's, Hamilton Village.

2 — Our Spring meeting was at St. Cyprian's Mission, where we joined the men of the Convocation in the evening for Dinner. Our speaker was Miss M. Hazeltin Fewsmith of the Executive Staff of the Philadelphia Episcopal City Mission, and her topic was Church Work among the Blind.

We also had Quiet Day at Holy Apostles and the Mediator, at which Rev. George C. Ashley of St. James, Hestonville, was the Conductor of the Meditations.

St. Mary's, Hamilton Village, sponsored a Card Party for the Woman's Auxiliary of the Convocation of West Philadelphia, the proceeds of which were to be applied to the Cassocks and Cottas for the Junior Choir Boys at St. Titus, and $105.00 was turned over to the Treasurer.

We also sponsored a Book Review to assist in defraying the many projects we undertook during the past year, and realized $51.25.

As is our usual custom Coin Cards were again distributed for use during the summer months, and netted $69.50.

A most sincere thank you and our grateful appreciation to the Women of the Convocation of West Philadelphia for their interest and assistance in furthering the work in our Missions during the past year.

SALLIE BARLOW

Chairman

It is a constant source of encouragement to have these fine Vicars and Seminarians in charge of these Missions. Without their devotion and loyalty and fine leadership the work of these Missions could not go forward. The Woman's Auxiliary to the Convocation continues to do its good work and I am most grateful to Mrs. Roy A. Barlow, the Chairman, for her splendid contribution in this important work.

DEPARTMENT OF CHRISTIAN EDUCATION
DIOCESE OF PENNSYLVANIA

Annual Report for 1955

The main efforts of the Department of Christian Education in 1955 were devoted to preparing the parishes of the diocese for the introduction of the courses of the Seabury Series, Grades 1, 4 and 7 being issued in May.

During January and February the final eight "Area Schools" for teachers intending to use the new courses were held, and in the last week of September a team from the national department consisting of the Rev. Mr. Elsom Eldridge, the Rev. Mr. Alfred Persons, and Miss Emma Lou Benignus were at the Conference Center for the whole weetk. They held meetings with the department, the clergy and church school superintendents and representative teachers by convocations, parish Directors of Christian Education, and three evening meetings for the Church School Institute. They did more in those five days in broadening our understanding and making us ready to use the new curriculum than any other single effort that we have done so far.

During October and November three Area Schools were held for those teachers using the new courses.

The work of the many sub-committees of the department has gone forward with vigor and success, thanks to the devoted service of the many volunteers who give so generously of their time and effort. In September, the Rev. Mr. Frederick Murray left the diocese to become Dean of the Cathedral in Erie, and therefore resigned as Chairman of the Youth Commission and Dean of the Summer School. The Rev. Mr. Robert N. Back, Rector of St. Peter's, Glenside, has been appointed to succeed him. Mr. Murray has given many years of devoted service to the youth work of the diocese and his leadership and consecration will be badly missed. Also in the early fall the chairman of our Audio-visual Aids Committee, the Rev. Mr. Robert Kennaugh, left the diocese for a parish in California. Having a rich experience in the audio-visual field he made a fine contribution to the department.

The Youth Commission

The Rev. Robert Nelson Back, Chairman

The coordination of the organizations and orders working with youth in our diocese through the Diocesan Youth Council meets

with continuing success. Seven hundred young people attended the Quinguagesima All Youth Service which was held at Old Christ Church, Philadelphia. Representatives of the six cooperating groups participated in the service at which the Rt. Rev. Richard S. Watson, D.D. was the speaker.

On the first Saturday in May, the second All Youth Convention was held at the Conference Center. A program which consisted of, a business meeting for all youth of the diocese, separate organizational and district meetings, guest speaker, Installation Service for all newly elected officers, a buffet supper and reception kept a record attendance of four hundred busy throughout the day.

The two Summer Youth Conferences were held at the Conference Center June 19-26, June 27-July 2nd. The Rev. Robert L. Curry, Headmaster of Lennox School led the first one; the second was led by the Rev. Peter C. Van der Hiel, Jr., Rector, St. George's, Ardmore. Both Conferences were filled to capacity.

The Rev. Frederic R. Murray, Chairman of the Youth Commission since September 1954, resigned upon his acceptance of the call to be Dean of the Cathedral in Erie. The Rev. Robert Nelson Back, Rector of St. Peter's, Glenside assumed the chairmanship in July.

From August 24th-31st, the Executive Secretary and six delegates attended the National Convention of Episcopal Young Churchmen at Carleton College, Northfield, Minnesota.

House of High School Students: Marla Shilton
Robert Middleton

House of College Students: Noble Smith
(Appointed from Canterbury Clubs) David Gurniak

House of Young Laymen: Shirley Gerger
Charles Hulet

At the Youth Council week-end in September plans were made for their reports to be given at the 10 District Meetings on October 2nd. Three issues of the *Youth Guide* were published to help promote and interpret the Diocesan and National Youth programs.

The Youth Commission includes the ten district Youth Advisors and others especially qualified for youth work. Two meetings held in the fall were mainly devoted to defining the task of the Youth Commission and to give specific help to the district advisors, whose role is important in the whole diocesan youth program. The Rev.

Richard L. Harbour, Executive Secretary of The Division of Youth of the National Department spoke at our second meeting on plans and projects for future youth work.

Church School Committee

Mrs. George C. Bland, Chairman

Schools of Christian Education Committee

The Rev. Jesse F. Anderson, Chairman

These two committees with the cooperation of the Executive Committee of the department planned and conducted eight area schools in January and February (seven were held in the fall of 1954) for the training of first, fourth and seventh grade teachers in the use of the new Seabury Series. In October and November three more area schools were held to help those teachers now using the series.

This committee was in charge of the program for the week the Leadership Training team from the National Department of Christian Education was in the diocese. This program also was concerned with helping the clergy and teachers to use the new Seabury Series. The Annual Church School Teachers Institute was an integrated part of the week's program.

The Church School committee again participated in the preparation of the Lenten Bulletin for both the diocese and province Two other seasonal bulletins were also prepared: Advent-Christmas, Holy Week-Easter. "Summer in the Parish," a national department bulletin was mailed to all our parishes in lieu of the preparing of a diocesan one.

Audio-Visual Committee

The Rev. Robert Q. Kennaugh, Chairman

This committee continues to serve the diocese by providing all the 16 mm. films produced by the National Council.

Programs using filmstrips and records for Leadership Training, Parents' Groups, Church School classes, Youth Groups and for Special Missionary Studies are planned by consultation.

The department is represented on the Audio-Visual Committee of the Philadelphia Council of Churches which provides opportunity for previewing and evaluating all visual aids as they are produced.

Fifty-two parishes have taken advantage of membership in our Cooperative Audio-Visual Plan.

The Rev. Robert Q. Kennaugh, Chairman, resigned in December when he moved from the diocese.

The Adult Committee

The Rev. H. Lawrence Whittemore, Jr., Chairman

This committee again this year continued to promote adult education in the parish primarily through the Parish Life Conference. Although only a small group from each parish is actually involved in a Parish Life Conference, one of the results is a greatly increased desire to "know." Therefore, the need for continuing study is recognized and help and suggestions for adult study programs given.

Six Parish Life Conferences involving approximately twenty parishes were held and in the spring of 1955 the first of a series of similar conferences for the clergy and their wives.

Suggestions for Lenten reading and study programs were sent out with the annual Lenten Bulletin of this department.

The Church School-By-Mail Committee

The Rev. Elbert K. St. Claire, Chairman

In January 1955, a meeting was held for clergy serving rural districts to discuss the work of the Church School-by-Mail; and renewed efforts are being made to develop parish participation. As parishes and missions become interested in families unable to attend regular Sunday School sessions in their own outlying districts, they include them as a mail class of their own church school. A teacher is procured to mail and correct the lessons, and visits are made by the rector and teacher. This brings the families into closer contact with the nearest Episcopal Church, and more frequent calls and needed personal contacts are made than is possible by the diocesan worker. Canvassing is also anticipated, and with those who have already assumed the responsibility, the challenge has met with eagerness and inspiring success.

Each teacher is assisted and advised by the diocesan worker, and corresponding departmental and family records are kept by the

diocesan office and the parish teacher. The curriculum is arranged and lessons planned in the diocesan office, so that each parish will be using the same lesson material graded from nursery through high, as it proves practicable and understandable to the Church School-by-Mail children. In addition to the lesson material, all postage and other supplies, as well as Christmas presents are provided by the Diocesan office. To do this, $3.50 scholarships are solicited from Woman's Auxiliary branches, church schools, and other organizations and individuals.

Out of eleven parishes and missions with Church School-by-Mail children in their outlying districts, four are actively and successfully engaged in the parish participation program.

202 scholarships were received; and the families gave $18.20 mite box offering.

The Committee on Special Offerings

The Rev. Herbert W. Jones, Chairman

On Sunday, May 15th, at 4 o'clock in the afternoon, children representing most of the church schools of the diocese, gathered at the Episcopal Academy, to present their Lenten Missionary Offering amounting to $73,693.86 from 171 parishes and missions.

Bishop Hart extended greetings and after a brief address by Bishop Armstrong the offering was received by Bishop Armstrong and Bishop Roberts from the representatives of the church schools of the diocese and presented on the altar by Bishop Hart.

Following the Doxology, the Crucifers, Flag Bearers and Banner Carriers, assembled, en masse, forming the most beautiful sight of the afternoon, with just enough breeze to keep the flags flying. After the prayer of Thanksgiving and the Benediction by the Bishop we were on our way home. All praise to God for a wonderful diocesan service.

The Advent Offering of $1185.88 from the church schools of 25 parishes and missions was assigned to All Saints Church, Fallsington, for church school equipment.

The Birthday Thank Offering amounting to $179.57 from the church schools of 14 parishes and missions.

Our church schools sent $600.00 to Puerto Rico for Christmas gifts.

The Vacation Church School Committee

Miss Eleanor A. Deane, Chairman

The total picture of Vacation Church School work seems to be changing. In the urban area three factors contribute to the decreasing number of schools:

1. More playgrounds and swimming pools available.
2. More children have the opportunity to get out of the city.
3. Junior age children take on considerable family responsibility in vacation time.

Many successful schools were held this year in suburban and rural area. More and more parishes are taking advantage of ten or fifteen three-hour sessions for Christian living and education.

We followed up the Summer Bulletin—1954 with an outline from the National Council of Summer Plans and sent it to each parish.

The Weekday Religious Education Committee

This committee continued inactive during the past year. The department is still considering this work and the Executive Secretary continued to cooperate with the Philadelphia Council of Churches' committee in the study of this work.

The Guild of the Christ Child

Mrs. Joseph Tatnall, Chairman

The use of this educational material by parents of the pre-school child initiated family participation in Christian Education from the time the child comes into the family. Thirty-six parishes and missions have established Guilds and we have ordered 6,000 copies in the five years we have been using it.

It has been a good year, but none of it would have happened had it not been for the untiring labors, inspiration and complete self giving of the Executive Secretary, Miss Beryl Newman.

Respectfully submitted,

P. F. STURGES

ANNUAL REPORT

1955

DEPARTMENT OF CHRISTIAN SOCIAL RELATIONS

During the year a number of new laymen and women joined the Department. Several of these had not heretofore been involved in the work of the Church at the Diocean level. This is also true of some of the new clerical members, particularly those new to the Diocese. We feel this new blood has instilled much new vitality to the various projects of the Department.

This report would appear to be most meaningful if the activities of the various divisions were summarized:

Division of Health and Welfare

Under the dedicated chairmanship of the Rev. Dr. Stanley West this division worked on preparing a brochure describing the facilities available from each of the church affiliated agencies to be published in 1956.

An insert describing our Episcopal Church affiliated agencies has been prepared to be included in "Where to Turn" published by the Health and Welfare Council.

The state program on Mental Health has been closely followed in an effort to bring constructive influence of our Church to bear on the problem.

The development of a program for recruiting young church people for social work is under way.

A communion breakfast for Episcopal workers attending the Regional Conference of the Child Welfare League was arranged.

Chaplain Carpenter attended the Yale University Institute on Alcoholism during the summer. He also arranged a Conference on Alcoholism on November 14th. He brings to the division a well informed concern for this problem and some of the answers to it.

Division of Christian Citizenship

A most constructive meeting with the Rev. Mr. Moran Weston was held at the City Mission. This has resulted in a coordination with the work of this division of the National Council.

Mr. Edward S. Morris as chairman of the division has assigned members to various committees such as one on the Christian and His Daily Work and a committee to join with the Central Legislative Committee of the five dioceses of Pennsylvania.

In commemoration of World Order Day a prayer designated by Bishop Hart was distributed to the clergy for use on that day, October 23rd. Deep concern over the problem of segregation was expressed by:

A resolution sent to the Diocesan Convention seeking to abolish discriminatory practices in churches and church affiliated institutions where ever it is legally possible.

A questionaire has been designated to be sent to all church affiliated institutions to determine the stand or legal position of each on this problem. Much constructive discussion continues on this pressing problem.

Division of World Relief and Church Cooperation

With Mr. Martin Snyder and the Rev. James MacColl as co-chairman this division has been, and continues, very active in settling refugees in this diocese.

Thirty assurances have been forwarded to New York, one of which was sponsored by the Department.

Many of the clergy and parishes have been written to in the interest of the refugee problem. (More active interest on the part of the clergy and parishes is urgently needed.)

The Rev. Mr. Jurisson from the National Council Department of Christian Social Relations addressed the Department on October 3rd and gave much constructive help about the refugee program.

The division sent a letter to all the clergy endorsing the collection of clothing and funds by the Woman's Auxiliary.

Division of the Urban Church

Late in the year this division was discontinued as a division of the Department. The work and interest of the division will be continued and, it is felt, strongly implemented by the revitalized Joint Committee for Urban Work with the Department of Missions, under the capable and inspired leadership of Bishop Armstrong. This brings the full personnel and capabilities of both Departments to bear on urban church problems. It has already re-

sulted in attracting a deeply concerned group of clergy, laymen and lay women which has had several constructive meetings. Hopes for its success run high.

This report would be decidedly incomplete without some brief mention of the tireless energy exhibited by the Executive Secretary, the Rev. Arnold Purdie. In no small measure his is the inspiration that keeps the Department functioning constructively. Beside which his attendance and participation in meetings and conferences around the country helps share with others such success that have been achieved by the Department and brings back to us the suggestions and thinking of others involved in similar work. For example he attended in November a three day meeting of the National Conference on Churches and Social Welfare in Cleveland at which he led the section on Administration of Church Related Agencies. He also attended, at Seabury House, a conference called by our National Council on Religious Ministry in Institutions. At the request of the institutions Mr. Purdie has had numerous consultations with many of their boards and staffs where it is reported to us he has been most helpful and constructive.

A most successful and oversubscribed Institute was held at Christ Church on February 15th on Refugee Work. The Institute was addressed by Mr. Edward Corsi the then Federal Administrator of the program. A number of refugees now happily settled here briefly addressed the gathering.

Respectfully submitted,

REPORT OF THE CHURCH FOUNDATION

CONVENTION 1956

FUNDS

The report of the Church Foundation has been distributed to the deputies and I hope you have had an opportunity to examine it and will keep it for future reference. Also reports are being mailed to accounting wardens of parishes and Treasurers of Church Institutions.

I wish to report with regret the resignations of the Reverend Franklin Joiner, D.D. and Mr. T. Williams Roberts, and Judge Francis Van Dusen from our Board of Directors, after long terms of service. We welcome the Reverend John R. Hart and Mr. William G. Foulke as new members of our Board.

This has been a rewarding occupation for me on account of the greater use of our facilities by the Parishes and Church Organizations of the Diocese. It is a matter of great satisfaction that the handling of the funds and properties under our control have been under the care and supervision of highly qualified persons in their particular fields of business. The banking facilities furnished by the Provident Trust Company as Fiscal Agent has provided all necessary safeguards and financial security.

INVESTMENT

The investment of all capital funds is under the management of our Investment Committee. A full description of our Consolidated Fund in which 146 of our funds are invested is shown on pages 14 to 25 of this Report. The total cash turned over to us for investment in the Consolidated Fund during the past 12 years since its establishment amounted to $3,330,443. The present value of the securities is close to $5,000,000. On the average cost of all outstanding units, the average income yield has been 5.6% based on 1955 earnings per unit.

We shall be very happy to furnish additional information or meet with the Vestries of any of our Parishes who might consider placing their capital funds with The Church Foundation.

INSURANCE

The Church Foundation is authorized by the Diocese to keep all Diocesan properties insured up to at least 80% of insurance value. This insurance is placed ordinarily through the Church Fire Insurance Corporation and is kept up to date through regular re-appraisal figures. The fire insurance with extended coverage and vandalism totals $3,294,000. on the 33 mission properties itemized on page 10. In addition there is fire insurance on the buildings and contents of the Conference Centre totaling $342,700. There is also a burglary and theft policy in the amount of $1,000. in force. The Church Foundation consults with the 57 parishes whose title is held by us on insurance coverages.

Fire damage losses were collected for the Church of the Redemption, 56th and Market Streets, Philadelphia up to the full amount of insurance carried amounting to $81,000. on the Church building, without penalty for under-insurance. Claim on Church contents in the amount of $4,150. was also paid. A windstorm damage claim was collected for St. Elisabeth's, 1606 Mifflin Street, Philadelphia, in the amount of $898.

In the matter of *Legal Advice* we are constantly in touch with Mr. Robert T. McCracken on legal matters as they arise. Mr. McCracken has rendered invaluable service as Chairman of our Committee on Trusts as well as Chancellor of the Diocese.

REPORT OF THE CHURCH FOUNDATION

CONVENTION 1956

We record with regret the resignations of the Reverend Franklin Joiner and Mr. T. Williams Roberts as members of the Board of Directors of The Church Foundation. Father Joiner was elected a Trustee of the Diocese on January 17, 1924 and served as a Director of The Church Foundation since its incorporation in 1928. Mr. Roberts served as a Director for the past fifteen years. He has been most helpful in the appraisal of real estate for mortgage purposes and as a member of the Investment Committee. The Board expresses its grateful thanks to these members for their many years of faithful service.

Transfers

In the past, it has been the practice of The Church Foundation to transfer title to the Church for the purpose of placing a mortgage on the property, after which the title has been reconveyed to The Church Foundation. Due to a change in the Realty Transfer Tax Law in the State of Pennsylvania, such transfers have been held subject to realty transfer taxes as in the case of sale of the property This has necessitated The Church Foundation to execute certain mortgage indentures and bonds subject to a clause protecting The Church Foundation from liability. Our Legal Committee has given this matter much attention during the past year. However, the State legislature recently passed bill No. 665 which the Governor has approved, as amended, exempting from tax transfers to or from a straw party for the sole purpose of placing a mortgage upon the premises. An opinion received from the Attorney General of the Commonwealth of Pennsylvania on December 27, 1955 states that if a deed is made to The Church Foundation, as Trustee, for the Grantor, the same would not be subject to tax. This should clarify the matter in the future.

INSURANCE

Mission Properties

A total of $3,294,297.00 fire insurance with extended coverage, vandalism and malicious mischief, is now in force on 33 Mission properties in the Diocese.

This insurance is placed with The Church Fire Insurance Corporation. A review was made by them last year of all the fire insurance in force on these properties and the necessary adjustments were put into effect to carry 80% of insurable value which complies with our direction from the Executive Council. * Insurance increased during the year

Parish Properties

St. Andrew's Church, 36th and Baring Streets, Philadelphia

This parish had been under insured for several years. With the cooperation of the present Rector, the Reverend Thomas Logan, the proper fire insurance protection has been put into effect. Up to date appraisal figures indicated a shortage of $260,000. on the Church, Chapel, Parish House and Organ on the basis of 80% of insurable value. This additional insurance has been placed with the Church Fire Insurance Corporation bringing the total insurance coverage on the buildings to $369,000.

In addition a fine arts policy in the amount of $66,441. covering the stained glass windows has been placed, as well as $2,000. additional insurance on the contents.

St. Augustine's Church of the Covernant, 27th and Girard Ave. Phila.

When the property of the old Church of the Covenant was deeded to The Church Foundation, the fire insurance policies consisted of $43,000. on buildings and $4,000. on contents.

When St. Augustine's Church took over the property, an up-to-date appraisal was made for insurance purposes. As a result, the Parish of St. Augustine's Church of the Covenant placed the following fire insurance in force, including extended coverage, vandalism and malicious mischief, representing 80% of the insurable value.

Church and Parish House Bldg., including organ	$231,100.
Church and Parish House contents	12,150.
Stained Glass Windows (Fine Arts Policy)	11,015

Both of these parishes are to be congratulated on their splendid cooperation in bringing their insurance up to the required amount.

Public Liability and Property Damage Insurance

Due to exposure to greater risks, the Insurance Committee recommended increased protection in this field and the same received Diocesan approval and has been put into effect.

The former limits of $10,000/$20,000. for Bodily Injury have been replaced by $100,000/$300,000 limits and $25,000 Property Damage.

A new Blanket Liability policy is now in force, which has been written to cover the Diocese of Pennsylvania and The Church Foundation, together with their personnel either individually or collectively while acting for these organizations. The policy covers primary liability of all Mission properties, and the contingent liability of The Church Foundation for Parishes to which it holds title which have not furnished evidence that the liability of The Church Foundation is included in their own policies.

Property Damage insurance, of course, only covers damage to property of others for which the Diocese or The Church Foundation is legally liable. But such claims might arise if fire arising from negligence in a property for which we are legally liable spreads and causes loss to a non-owned property. Or under certain circumstances, we might be held legally liable for loss to personal property of members of a conference at one of the insured properties. Now that the Diocesan Conference Center is being used for gatherings not connected with the Episcopal Church, there is a greater possibility of such claims arising there.

The new policy also includes Owner's Protective Liability, being the contingent hazard in connection with new construction by independent contractors, which was formerly written in a separate policy.

Burglary Insurance

A $1,000 blanket burglary, robbery and theft insurance policy has been placed, protecting the Diocesan Conference Center. This includes coverage of money and securities.

Builder's Risk Insurance on Building Contracts

This type of fire insurance protection during the course of new building construction is most important. It protects the owner fully against fire loss either to the building or materials on the ground. The premium is calculated on an average rate during the construction, so that the cost is not excessive.

This type of insurance has been placed on all properties on which building contracts were signed by The Church Foundation for the Diocese.

Several Parishes to which The Church Foundation holds title have instituted their own building programs during the year. In such cases, it is the responsibility of the individual Parish to see that proper protection against loss by fire is placed during construction. We have been glad to order this insurance when requested to do so.

Fire Loss-Church of the Redemption

A disastrous fire took place at the Church of the Redemption, 56th and Market Streets, Philadelphia, on July 7, 1955, which was a proven case of arson. The General Adjustment Bureau estimated the loss to the Church Building to be $164,963. after depreciation. There was only $81,000. fire insurance in force on the Church building, but due to the fact that the title was held by The Church Foundation this amount was paid in full by the Church Fire Insurance Corporation without penalty for under-insurance. In other words, The Church Foundation agrees to make every effort to keep its properties insured up to 80% of insurable value, and the Church Fire Insurance Corporation in return does not invoke the co-insurance clause.

In addition to the claim on the Church building, fire damage claims of $4,150. on Church contents, and $1,344. on the Rectory were paid in full.

As a result of this devastating fire, the Reverend Charles H. Long, D.D., Secretary of the Diocese, sent a letter to all Parishes asking them to re-examine their fire insurance coverage. The following Parishes to which The Church Foundation holds title made increases to their outstanding policies.

Advent, Hatboro
All Hallows, Wyncote
House of Prayer, Branchtown
Holy Sacrament, Highland Park

Other Claims

St. Elisabeth's, 1606 Mifflin St., Phila.

Windstorm damage claims were made for this Mission under the extended coverage endorsement. The roof repairs in the amount of $303.53 were paid in full. Settlement was also made for damage to the Tower and brick wall, both of which were in bad repair, in the amount of $595. The total claim paid was $898.53.

Trinity Church, Ambler

Received total of $12,150.40 from the Church Fire Insurance Corporation on windstorm damage caused by Hurricane Hazel. The details of this claim were handled directly by the Parish.

Trinity Memorial Church, 22nd and Spruce Streets, Phila.

Claims of $1,135. for damage caused by boiler explosions were paid by the Church Fire Insurance Corporation. The details of these claims were handled directly by the Parish.

INVESTMENT

Management

The securities in our Consolidated Fund and Consolidated Legal Fund are under the constant supervision of our Investment Committee. All purchases and sales of securities are authorized by this Committee, and we believe wise investment counsel has provided excellent results. A complete list of the portfolios is shown later in this report, together with cost and market prices of each security.

The Provident Trust Company acts as Fiscal Agent for the safekeeping of all securities held by The Church Foundation.

Investment Policy

Our policy is to obtain the best possible income for our participating funds consistent with sound investment practice. With the steady increase in the market value of units, we have had to give constant attention to income return on our securities and we have endeavored to maintain a satisfactory yield for the new funds which have been placed with us.

Our policy is to accept United States Series G 2½% Savings Bonds at their maturity value rather than their redemption value, when exchanged for units. This has encouraged Churches who have invested in these securities, to place their funds with The Church Foundation without incurring loss of principal. The Consolidated Fund portfolio holds a total of $175,200. U. S. Savings G 2½% bonds as of December 31, 1955.

Amortization

During past years, a small percentage of the income earned by units in the Consolidated Fund has been placed in an Amortization Reserve Fund, and added to the principal account. The purpose of this Fund is to offset principal loss due to bonds purchased at a premium above par value. Since this contingency has been provided for by our present Amortization Reserve Fund consisting of $19,300. in U. S. Savings bonds and $828.79 cash, no amortization charges have been made during the past two years.

CONSOLIDATED FUND

Each unit of the Consolidate Fund has a participating interest in the portfolio of securities listed later in this report consisting of bonds, preferred stocks and common stocks in various industries. The diversification of investment is of particular advantage to participating funds.

There were 146 funds participating in the Consolidated Fund as of December 31, 1955. These funds held a total of 294,558 units representing an investment of $3,330,443.56, or an average cost price of $11.30 per unit.

These same units had a market value of $4,910,850. at the latest appraisal of $16.67 per unit on December 5, 1955.

The participating funds are grouped below in accordance with size and amounts.

CONSOLIDATED LEGAL FUND

The Consolidated Legal Fund was established in 1953. It is primarily an investment for funds which are restricted to legal investments for trust funds. However, the Consolidated Legal Fund could be used advantageously by any fund whose primary purpose was conservative investment and one in which values would not be subject to wide fluctuations, since the fund is limited to one-third of market value in common stocks.

There were 12 funds participating in the Consolidated Legal Fund as of December 31, 1955. These funds hold a total of 5,233 units having a cost price of $55,661.40, or an average cost of $10.64 per unit.

These same units had a market value of $59,342. at the latest appraisal of $11.34 per unit on December 5, 1955.

The participating funds are grouped below in accordance with size and amounts:

Funds	*Size*	*Number of Units*	*Cost*
8	Up to $5,000.	859	$ 9,299.48
3	$ 5,000. to $10,000.	2,339	24,406.10
1	$10,000. to $25,000.	2,035	21,955.82
12		5,233	$55,661.40

During the year 1955 units were purchased at the following prices as a result of the four quarterly appraisals.

March 5, 1955	$10.94
June 5, 1955	10.83
September 5, 1955	11.19
December 5, 1955	11.34

Income distributions during the year 1955 were 43.2 cents per unit. On the basis of the last unit value of $11.34 per unit, the indicated yield would be 3.8%.

REPORT OF THE CATHEDRAL CHAPTER

On the retirement of the Reverend William LaR. Witmer, the Bishop's Vicar at the Cathedral Church of Christ in Upper Roxborough, Philadelphia, last Spring the Bishop was pleased to appoint as his successor the Reverend James T. Berger.

Interest and growth in the life of the Cathedral Congregation has continued during the year. The development of the area residentially has made it possible to reach a large number of people. This coupled with the City's development of the streets and highways in the neighborhood, notably the cutting through of Henry Avenue thereby destroying much of the use of Cathedral House, brought the ever increasing need of additional facilities to the attention of the Bishop and Chapter.

Much of the Chapter's attention, therefore, throughout the year has been given to the consideration of the creation of such facilities. Architectural studies have been made and it is hoped that in the near future these will be given tangible expression in the erection of a suitable building usable by the congregation and community as a Parish House.

Now, perhaps more than ever before, the Chapter calls attention to the need of the Cathedral Foundation for additional funds for its endowment as well as for the prosecution of this important Diocesan activity. The hope is still nourished that in some way it will be made possible to erect adequate space for Diocesan services and meetings at the Cathedral which should be the center of Diocesan inspiration and life.

Respectfully submitted,

WILLIAM N. LANIGAN,

Registrar-Secretary

REPORT OF THE COMMISSION ON RECTOR'S SALARIES AND PENSIONS

Only five Parishes sought aid from the Sustentation Fund in order to bring up their Rector's salary to the Diocesan standard during the past year. These requests were granted by the Commission after each Vestry certified to the questions submitted for the guidance of the members of the Commission. Likewise several Parishes were aided in paying the Rector's Pension premiums upon promise of the Vestry to make restitution to the Fund.

It semes curious after so long a time that our Pension System has been in effect, that so often Treasurers of the Vestry must be warned against allowing their Rector's Pension Premiums to get into arrears; sometimes over a half year behind. This is not only a matter affecting the particular Rector, but when less than a half year's premiums has been paid, it affects the granting of a thousand dollars to the widows of other Clergy, and when a Vestry is aided in bringing a Rector's premium into rightful position, the amount furnished by the Commission must be understood as a loan and is an indebtedness that must be repaid the Sustentation Fund.

All the assessments have been met by the Parishes this past year and since there is no increase in the number of Aided Parishes, your Commission asks Convention to grant the sum of $6000.00, which sum has been sufficient for several years past.

RESOLVED, That the Commission on Rector's Salaries and Pensions be authorized to assess for the Sustentation Fund for the year 1957, the sum of $6000.00.

Respectfully submitted,

JAMES M. NIBLO, *Chairman*

APPENDIX N

REPORT OF THE COMMITTEE ON CONSTITUTION AND CANONS

The Right Reverend Fathers, the Bishops of Pennsylvania; the Clerical and Lay Deputies of the Diocesan Convention, 1956:

Your Committee on Constitution and Canons has received two communications concerning proposed legislation to come before this Convention. The *first* proposes to limit the age of every person elected or appointed to every committee, council, or commission acting under the canons of this Diocese. The *second* proposes an amendment to Canon XX of the Diocesan Canons which would make it permissable to elect Deputies and Alternates to the General Convention one year before General Convention.

The Committee on Nominations sent the following communication to Bishop Hart, who transmitted it, in accordance with the request of the Committee, to your Committee on Canons. The communication is signed by Mr. DuBarry, acting for the Committee on Nominations.

> "At its meeting on February 24, 1956, the Committee on Nominations adopted the following Resolution, which it is requested that I transmit to you for consideration by the Diocesan Convention.
>
> > "RESOLVED: That, the Committee on Canons be asked to prepare a proper canon which shall provide that no Committee, council or commission of the Diocese shall have as a member, either clerical or lay, any person who has reached the age of seventy-two years; and that any person who reaches this age, despite the length of of term for which he was elected, shall vacate his office on the June 30th following his seventy-second birthday."

Your Committee on Canons has carefully considered this and other proposed legislation included in this Report.

It is the considered opinion of this Committee:

FIRST. That this proposed canon should be considered in two ways, i.e., (1) as to its substance, and (2) as to its form.

SECOND. That this Committee finds that the Resolution lacks clarity as to precisely what the Committee on Nominations has in mind when it speaks of "Committee, council or commission."

Do the words, "Committee, council or commission," include, as in the opinion of the Committee on Canons they ought to include, the governing boards (directors or trustees) of Funds (such as the

Fund for Endowment of the Episcopate, or the Christmas Fund, etc.) and Foundations (such as The Church Foundation, or the Cathedral Foundation, etc.)? Or, is it the intention of the Committee on Nominations to limit its proposed legislation to matters under Canons IV and VI of the Diocesan Canons?

Presumably, but it is not clearly stated, the Committee on Nominations intends that all members of every committee, council, or commission, operating under Canons IV and VI (Of Committees and Commissions, and Of the Executive Council) shall conclude their service on their seventy-second birthday. Thus, the Committee on Nominations would exclude from this legislation all members of governing boards of Funds and Foundations also operating under these (the Diocesan) Canons. In the opinion of the Committee on Nominations these boards do not, apparently, come under committees, councils, or commissions. Your Committee on Canons is not of this opinion, and believes that this suggested legislation is unnecessarily discriminatory and restrictive in that it would appear, in the interests of justice and equity, that a person who is too old for a committee, council, or commission (in the sense of Canons IV and VI) is also too old to serve on the governing boards of Funds or Foundations. If the intention is to open the way for election or appointment of new and younger blood in one category, certainly it would appear equally desirable to make the same provisions for the governing boards of Funds and Foundations, and in the same legislation. It is true, however, that there is precedence in our general canons and Constitution for requiring persons (bishops, and, in 1957, all clerics) to resign on reaching the age of seventy-two years. The proposers of the new legislation apparently had these provisions of the General Canons and Constitution in mind.

The province of the Committee on Canons is to analyze the substance of the legislation desired, and to reduce it in proper form to a canon. Having done this, the final decision on enactment of such legislation, rests with this Convention. The Convention will act on this legislation in two ways:

(1) Determine whether or not it agrees with the substance of this legislation, and

(2) If the Convention so agrees, then the second vote must be taken on the form the canon is to take.

But it is also the duty of your Committee, under the Canons, to advise the Convention on matters of equity as of law in the legislation proposed for inclusion in a canon.

The Committee on Constitution and Canons is, quite unanimously, of the opinion that the proposed canon relating to committees, councils, and commissions should state *clearly and specifically* whether or not the governing boards of Funds and Foundations are to be included in this legislation. Your Committee, be it repeated, believes they should be included; if it is desirable for one group it is equally desirable for the other. It is not necessarily true that the words "Committee, council or commission" are meant to exclude governing boards operating under the Canons. We do not state that we, as members, of the Committee on Canons, are in agreement on the substance of this legislation, but we do find (1) that if this Convention desires to place such limitations on the age of committee, council, and commission members it can do so; (2) that the proposed canon below is technically in proper form.

We now ask that the Convention debate and vote on (1) the substance of the proposed canon, and (2) that the Convention consider sentence by sentence the correct form of the legislation.

Canon IV, Of Committees and Commissions, has five Sections. It is proposed to add Section VI, to read as follows:

> "1. Every member, either clerical or lay, of any committee, council, commission, or governing body of any Fund or Foundation, operating under the Canons of the Diocese of Pennsylvania, shall cease to be a member of that committee, council, commission, or governing board on the thirtieth day of June following immediately his seventy-second birthday. The provisions of this canon shall apply to every member, clerical or lay, of every committee, council, commission or governing board irrespective of the term of office to which he has been elected or appointed."

Canon VI, of the Executive Council, Section I, at subsection 6.

It is proposed to add this sentence to this subsection:

> "And it is further enacted, that every member of the Executive Council, either clerical or lay, shall cease to be a member of this Council on the thirtieth day of June immediately following his seventy-second birthday. The provisions of this canon shall apply to every member of this Council, irrespective of the term of office to which he has been elected or appointed."

In these sections of two canons, IV and VI, the substance and form are practically the same, and can be voted (as canons) together, if so desired. The Committee on Canons moves that the substance of this legislation be debated and voted on *first,* followed by vote on the form of the canon.

* * * * * *

The second communication also came from Bishop Hart, who requested that your Committee draft the necessary amendments to Canon XX, of Deputies to the General Convention and the Provincial Synod, enabling this Convention, if it so desired, to

elect Deputies to the General Convention one year before the meeting of the General Convention. The passing of this amendment now would enable the Diocesan Convention of 1957, and subsequent Diocesan Conventions under this canon, to elect its Deputies one year in advance of the General Convention instead of waiting for Convention Year.

The Bishop's memorandum explains the reasons for this legislation:

"In line with a suggestion made at our recent General Convention, I would like to recommend that our clerical and lay Deputies to the 1958 General Convention be elected in 1957. I have asked the Committee on Canons to propose the needed amendment to Canon XX. The chief purpose of this suggestion is that it would enable the President of the House of Deputies to appoint committees and commissions a year in advance of General Convention, thus providing opportunity for greater study of the issues and reports at hand. It would also make it possible to assign work to many more deputies than have participated in the past."

Canon XX, at Section I, subsection 1, reads as follows:

"1. At the Annual Convention immediately preceding the regular meeting of the General Convention there shall be elected by concurrent ballot of the Clerical and Lay Orders . . . . "

It is proposed to amend this clause to read as follows:

"1. At the Annual Convention immediately preceding the regular meeting of the General Convention, or, if the Diocesan Convention desires, at the Annual Convention in the year preceding the General Convention, there shall be elected by concurrent ballot of the Clerical and Lay Orders . . . . "

This Convention will take care to notice that by intention this legislation makes possible the election of General Convention Deputies and Alternates one year before General Convention by *permissive and not mandatory legislation.* This legislation merely makes it possible to so elect Deputies one year ahead of time if, in the opinion of the Bishop and this Convention, such election is desirable. Otherwise, the original provision for election of Deputies to General Convention remains unchanged.

Your Committee has also considered what changes, if any, are necessary, in view of this new provision, in subsection 2 of Section I where the canon provides time limits for notification of those elected, etc. Your Committee finds that no change is here necessary.

Respectfully submitted,

RALPH E. COONRAD, J.C.D., *Chairman,*

REPORT OF THE BOARD OF CONTROL OF THE DIOCESAN LIBRARY

The members of the Board of Control elected at the 1955 Convention for a term of three years are the Rev. Charles W. Tuke, D. D., the Rev. George B. Krantz, and the Rev. Walter M. Haushalter, LL.D., Chairman; Federico F. Mauck, Esq., J. S. Hepburn, Ph. D., and Mr. Isaac E. Leech, Treasurer.

Ten church magazines were subscribed to and placed on the rack in Room 11. Eighty-five books were purchased and three donated, and were catalogued and placed on the shelves. Up to date and standard classics are chosen by the members of the Board from book reviews and lists sent them by the Librarian, and from their own literary resources. Other clergy and lay people may also suggest books by giving the title and name of the author to the Librarian or to a member of the Board. Most of the books ordered are to develop the spiritual life and education of church fundamentals.

The Library is free to all clergy and laity of the Diocese. Books may be taken out by checking them out and in at the Information Window, or with the Librarian, Room 37, where the catalogue is located. An average of 65 books were out at one time during 1955, and one hundred books were out during Lent.

New books were listed in the Church News; and the annual list of books purchased was mailed to all clergy, Woman's Auxiliary Committee Chairmen, and lay people using the Library. A letter was included with the lists inviting people to become sustaining members at $1.00 per year. Twelve people subscribed.

Respectfully submitted,

THE REV. WALTER M. HAUSHALTER, LL.D.,

Chairman of the Board

APPENDIX R

REPORT OF EXECUTIVE SECRETARY OF THE CORPORATION FOR CHRISTIAN WORK IN EDUCATIONAL INSTITUTIONS — 1955

The Commission for College Work held five meetings in 1955 under the leadership of its president, Mr. Howard Kellogg. At the conclusion of the 1954 report it was noted that Faculty Work had been begun in the Diocese. This was a new chapter in the Church's work here, and was continued in 1955. Two conferences were held for Episcopal Faculty at the Diocesan Conference Center during the year. Dr. J. V. L. Casserley of General Seminary led the May conference, which aroused great interest among the forty men and women attending. A smaller group was present at the second conference held in November and led by Mr. Henry Dolan, prominent layman of the Diocese. But the quality of inspiration and fellowship was just as great. The men and women who shape the minds of our college students are among the most influential in our country, and it is important that those who are members of this Church bear a clear and keen witness to their Christian faith. The purpose of the Faculty Fellowship is to deepen and enrich that understanding. The benefits will be felt throughout the whole Church, as it develops a more informed laity.

The ecumenical work on the Temple and Drexel campuses was maintained for another year, and financial support slightly increased. The work of our Communion was continued simultaneously under our priest chaplains. It has been found that the two efforts are mutually helpful. Two seminary internes guide the ecumenical Christian fellowship on each campus. The Executive Secretary of this Commission is on the Board that has supervision of the work. The Rev. Robert Harris, Rector of the Church of the Annunciation, 12th and Diamond Streets, near the Temple campus, holds services in his parish church for Episcopal students, and meets with the Canterbury Club in his rectory. Episcopalians have given leadership in the Temple University Christian Movement at the same time. Thus Church loyalties are maintained while inter-Church contacts are encouraged. At Drexel the Rev. Edward Rementer, vicar of St. Andrew's is trying to keep in touch with Episcopal students, while the parish undergoes considerable changes. The strengthening of this parish will eventually lead to a stronger college work of our Church associated with this parish.

The National Council through its Department of College Work held two conferences for the five dioceses of the State of Pennsylvania during the year. Our president attended one for chairmen of Diocesan commissions in Harrisburg in May. Five clergy of

the Diocese who have part-time college responsibilities journeyed to State College in October for a conference with other part and full time chaplains in the State. The Rev. Edward Pollanick made a complete report to the Commission on what was generally considered a very valuable conference. None such had been held recently in this area.

In December the Commission met with the college clergy to discuss common problems. In the afternoon of December 8 the clergy discussed their problems with the Executive Secretary and the Bishop, our honorary chairman. The members of the Commission dined with them and conducted their business in the evening. Mr. Pollanick desired a greater clarification of pastoral responsibility in the down-town area. A meeting of all down-town clergy will be called in the new year to that end. The Rev. Matthew Davis desired to strengthen his ministry at Lincoln by making weekly rather than monthly visits to the campus. The Executive Secretary made a visit to Lincoln with him, and the Commission is in the process of making financial arrangements to accomplish the desired goal. The Rev. John Houser spoke of the inauguration of a Canterbury Club for Pennsylvania Military College boys at his parish. The Executive Secretary had spoken in November to the group at their first meeting.

The annual Conference for students was held in Radnor in the Conference Center the last Sunday in October. The subject of discussion was "Revolution and Reconciliation"—the Christian message in a world in change. The Executive Secretary led it. In the week after Christmas during the University holiday he led a delegation of students of all Churches to the great Student Volunteer Movement Conference in Athens, Ohio, which revolved around this same theme. There, three thousand students, members of almost every Church except the Church of Rome and representatives of eighty nations gathered to affirm their common allegiance to Christ as Lord and find means of applying His Gospel to the world in ferment.

With the Diocesan Convention of 1956 the terms of three of our members will expire, and a word of appreciation is extended to each; Mr. Howard Kellogg, who has served so ably as president for two years, has carried the main load of business of the Corporation, and given unstintingly of his time at all meetings and conferences; Mr. Eric McCouch, whose wise counsel has been of great assistance; and the Rev. Edward Harris, who has encouraged new ventures in college work in the diocese, the purpose of his own ministry at the University of Pennsylvania.

Respectfully submitted,

CHARLES K. C. LAWRENCE,

Executive Secretary

APPENDIX S

THE PHILADELPHIA COUNCIL OF CHURCHES

1956 SUPPORT PLAN

At the close of the Philadelphia Council of Churches' fiscal year on March 31, 1956, the Episcopal Committee had secured from the members of 36 parishes 304 new contributions in the total amount of $2,799.95. Receipts from parish budgets and from individuals renewing previous contributions totaled $9,837.00. Therefore, we are happy to report that with total receipts of $12,636.95 we have given our best support of any year to the Council of Churches. In addition, the Diocese made a most important contribution of $3300.00 to the research work of the Council.

The Council now has 513 member congregations from 24 denominations and communions. Of these, 75 parishes are our own, five having joined during the year. To support its 38 services and programs conducted through five departments, the Council received over $116,000.00 during the past fiscal year. A full-time staff of 16 trained people and over 2000 volunteers make up the Council's personnel.

Of special interest to us are such facts as these: in the summer of 1955, 173 Protestant Episcopal Boy Scouts were contacted by chaplains employed by the Council; our clergy have played prominent parts in the Council's television and radio programs, especially, "Bless This House"; thirty-one of our parishes observed "Council of Churches Sunday" in January, using 15,000 copies of informative literature; and beginning April 15 the Council sponsors for 13 weeks "The Episcopal Hour" on WFIL, 8:00 A.M. Sundays. These are just a few matters taken at random from the Council's records.

As the committee appointed by action of the 1955 Convention, we are pleased at the progress made, but earnestly solicit greater participation and support from our parishes during the present year.

Respectfully submitted,

P. BLAIR LEE

APPENDIX T

REPORT OF THE COMMITTEE ON CHRISTIAN VOCATIONS

Bishop Hart, Reverend Clergy, Gentlemen:

We are happy to present three events of noteworthy importance that have taken place since our last report.

First is the fact that we have completed our survey of Theological Seminaries of the Episcopal Church and the results of that survey are attached as part of this report. Copies of the findings are in the seats of the deputies. It may be of interest to note also that the Chairman of ths Committee has met with the Chairman of the National Committee and that the results of our findings have been sent on to "281" for distribution to all Bishops of the Church.

Second, in conjunction with the Woman's Auxiliary of the Diocese a week-end conference on Woman's Work in the Church was held at the Conference Center. This conference was for women in business and a fine attendance was reported. The Reverend Ellsworth Koonz, Director of the Committee of Recruiting for the Ministry at the National Council was the chief speaker.

We also printed and distributed throughout the Diocese a tract entitled, "Is It Your Life?" This tract tries to bring before our young people the opportunity for service in the Church of God.

Our third event, and one which caused us greatest joy was the Conference on Christian Vocations which was held at St. Mark's Church in Philadelphia on December 27th, 1955. The Rector of St. Mark's, Reverend Emmett Paige, graciously offered us the use of the facilities of St. Mark's and added to this generous gesture the underwriting of the entire cost of the conference as a donation to the missionary work of the Diocese. The Committee on Christian Vocations desires here and now to make public its thanks to Father Paige for his generosity and that of St. Mark's Parish. We would also record our thanks to the Reverend Edward C. McCoy, then assistant to Father Paige, for his work in handling the many details of the conference arrangements.

We were delighted to have Bishop Hart as the Celebrant at the Holy Eucharist for the Conference, and also to have him as the keynote speaker on the theme "The Church's Concern for Christian Motivation in the Choice of Vocation." The 150 young college students present heard him with great interest.

In addition to the Bishop, the Chairman of this Committee talked on the Parish Ministry; the Reverend Sydney Atkinson, O.H.C., spoke on the Religious Life for men and told an entranced audience something of the missionary, medical, and educational work the Order is doing in Liberia.

Miss Mary Daly of St. Thomas' Church, Whitemarsh, spoke on the work of a Director of Religious Education; Miss E. Milo Upjohn talked on the work of our own City Mission Society; and Mother Virginia of the All Saints Sisters of the Poor presented the Religious Life for Women.

We are very pleased to announce that plans have already been formulated to hold the conference this year at Holy Trinity Parish on December 27th, 1956. This year we hope to present such little known opportunities for service in the Church as the Church Army and the Order of Deaconesses, along with other vocations.

We want to make it clear that this Committee is yours to use in any way that you think it can help you. We want to urge you to make a note of the December 27th conference and to begin now to interest your finest young people to attend. We know, from our survey of hundreds of Theological students that there is no better way of making our young people face squarely the importance of and the opportunities for service in the cause of Christ and His Church.
